

Insurance And Finance Without Borders Through New Joint Venture

January 05, 2016

January 05, 2016 -

Pantone & Partners is pleased to announce the signing of a joint venture agreement with Hawkins Wealth Advisory LLC (HWA) that will expand its scope of operations and services offered. HWA, with website at http://www.hawkinswealthadvisory.com, is a Phoenix, AZ based company, with strong skills in the fields of wealth management, investments, and private markets, catering to businesses and individuals often with unique requirements for high net worth expertise. The agreement will combine the expertise of both companies in order to offer more services to global clients and introduce new products in key markets, throughout Italy, Europe and the U.S.A.

With over 30 years of experience, the HWA Team, which can also be seen on the web page http://hawkinswealthadvisory.com/our-team/, now offers its services in Italy and abroad. These services are characterized by careful analysis of the needs, concerns and expectations of each customer. The company tries to offer a large support network to all companies operating in all sectors and of all sizes with the singular goal of increasing customer satisfaction.

Meanwhile, Pantone & Partners has been operating under this name since 2008. Pantone is known for

its professionalism and was established in 1973. They have also worked under the company name Dealer Company SAS, which focused particularly on RCA.

The expansion of Pantone is the result of initiatives to support long-term growth and a development strategy that has always favored a relationship of trust with customers. This customer relationship is based on an absolute guarantee of safety and ethics in quality products, flexibility and transparency. The company has a robust and qualified staff consisting of young, dynamic people who are prepared to make use of technological tools that allow for a high quality, speedy and competitive service.

Robert E. Hawkins, the Chairman of HWA, is very pleased with the outcome of the partnership. "It's very exciting to see our young brand make such a big impact in a short period of time," he says. "When you always place the best interest of your clients first, great things tend to be the result. It's an honor to work with Pantone & Partners, a highly respected company, with a family lineage going back generations. We look forward to breaking down boarders and bringing solutions to both our U.S. and global clients."

The year 2015 was a record year for global merger and acquisitions (M&A) as deals worth $4.86 trillion were announced and a significant portion of this came from Asia Pacific targeted deals. According to global deal tracking firm Dealogic, the global M&A volume at $4.86 trillion in 2015 was the highest on record for any year, surpassing the previous record of $4.61 trillion in 2007.
