The dispensary itself is beautiful and nicely curated. We came for the lounge specifically and the check-in process was friendly and welcoming. The lounge feels sophisticated and relaxed. Service was very friendly and attentive. We were visiting from Atlanta and wish there were more places like this to enjoy! Love the no alcohol policy and the overall vibe. This was a great place to top off our anniversary night. There's a lot to choose from so I definitely recommend using Uber/Lyft to fully indulge! Highly recommend!"
