Anchor Roofing is pleased to announce they've added two new members to their sales team to keep up with the growing demand in Omaha's roofing market. Cody Charlton and Cole Bopes bring diverse backgrounds and valuable experience, further boosting the company?s capabilities and customer service.

Cody Charlton has a solid background in sales, with ten years of experience in various roles focused on business-to-business and personal interactions. Originally from Waterloo, Iowa, Cody moved to Omaha, Nebraska, in 2017 to pursue a career in the healthcare industry. He started at Anchor Roofing on March 4, 2024.

His previous work in the hospitality industry has given him a good understanding of how to build and maintain relationships with customers. He especially appreciates the teamwork and open communication within the company. Cody?s goal is to create positive, personal connections with each customer while providing great service throughout their roofing projects.

?I?m excited to be part of a team that values open communication and teamwork,? Cody said. ?Building relationships with homeowners and helping them from start to finish is truly rewarding.?

Cole Bopes, who is from the Elkhorn/Omaha area, also started with Anchor Roofing in March 2024. He brings a wealth of experience from his 8.5 years in the automotive industry, where he started in sales, moved to internet sales, then finance, and eventually became the new car sales manager. Cole also co-owns and runs a residential assisted living facility focusing on memory care in Elkhorn.

His background has provided him with extensive experience in helping families make significant financial and emotional decisions, which translates well into his new role. He appreciates the positive work environment at Anchor Roofing and is eager to learn more about the roofing industry.

?My favorite part about this job is helping homeowners make informed decisions about their roofing needs,? Cole said. ?Being part of a team dedicated to delivering an exceptional product and service is very fulfilling.?
