June 14, 2024

June 14, 2024 -
South Cali Billiards, a professional pool table moving company based in San Diego, has expanded its range of services to include premium pool table felt replacement across San Diego County. The company is known for its expertise in moving pool tables, re-felting, and cushion replacement, and offers a 100% guarantee on all their work.

South Cali Billiards specializes in pool table moving and offers three types of moving services: Move to Storage, Move out of Storage, and Change Locations. Prices for these services start at $275, $350, and $400, respectively. Additional charges may apply for stairs, transportation over 25 miles, and other factors.

The company also provides re-felting services. They recommend replacing the felt if it is 3-5 years old or if the table has been moved once already. The cost of this service starts at $450, and there are no additional labor costs if the pool table is being moved or installed by them.

In addition to moving and re-felting services, South Cali Billiards offers cushion replacement. The cushions on a pool table are made of rubber, which can dry out and lose its bounce over time. They provide a simple test to determine if a pool table needs new cushions.

Brian Esparza, Chief Executive Officer of South Cali Billiards, commented, ?Our commitment to high-quality workmanship and customer satisfaction sets us apart. We take great pride in providing top-notch services, whether it's helping clients move their pool tables or ensuring their tables are in prime condition with our re-felting and cushion replacement services.?

The company serves not only San Diego but also Los Angeles, Riverside County, Orange County, Inland Empire, and Temecula, CA. They are open 7 days a week from 8 am to 10 pm, making it convenient for customers to use their services.

To further assist their clients, South Cali Billiards offers free estimates. Customers can call them to get an

accurate quote for moving a pool table. The company?s openness about pricing and additional charges ensures transparency and trust.

South Cali Billiards is also receiving positive feedback from the community. A satisfied customer, John Loya, rated the business five stars after hiring them to temporarily move his pool table into the garage while new hardwood flooring was being installed in his house. He praised the company for their professionalism and quality work, particularly in leveling and installing the table.

Esparza added, ?Our 100% guarantee on all work underscores our confidence in our services and dedication to our clients' satisfaction. We aim to make every interaction with us a positive experience.?

The company?s commitment to quality service and transparency has been well-documented, evident from the positive reviews and extensive service areas.
