

Anaheim Lighthouse Expands In-Network Approval from Anthem Blue Cross

June 07, 2024

June 07, 2024 -
Anaheim, California - Anaheim Lighthouse, a premier provider of comprehensive addiction treatment services, is thrilled to announce it has received additional in-network approval from Anthem Blue Cross. This significant development includes narrow networks such as Pathways and Vivity, further broadening the healthcare organization's reach and impact across Southern California.

Peter Davidson, President & Chief Operating Officer of Anaheim Lighthouse, expressed his enthusiasm about this milestone, highlighting the effect it will have on patients seeking addiction treatment in the state.

"We are honored to be recognized by Anthem Blue Cross as an in-network provider. This additional approval for Pathways HMO members will help us serve more Anthem Blue Cross clients in California," said Davidson. "We are committed to providing high-quality, accessible care for individuals and families affected by substance use disorders. Our partnership with Anthem Blue Cross will enable us to extend our services to a greater population, ensuring that more people can receive the support they need."

The inclusion of Anaheim Lighthouse in Anthem Blue Cross's network is a game-changer for many

Californians who utilize the Covered California Health Exchange, seeking addiction treatment. Covered California assists individuals and families in securing health coverage that meets the minimum essential benefits mandated by law. Anthem Blue Cross, one of the largest health insurance providers in the state, is one of the carriers for Covered California offering affordable insurance options to its members. By being an in-network provider, Anaheim Lighthouse is now more accessible to those covered by these plans, reducing financial barriers to essential treatment services. In-network providers require lower deductible charges and out of pocket expenses.

"It has always been our mission to make quality addiction treatment accessible to many individuals, regardless of their financial situation. With this partnership, we can continue to fulfill that mission and help more people start their journey towards recovery. Anaheim Lighthouse is committed to providing evidence-based treatment and compassionate care, and our inclusion in Anthem Blue Cross's network allows us to do that on a larger scale," added Davidson.

Anaheim Lighthouse offers a full continuum of care for individuals struggling with substance use disorders. Their services include safe and medically supervised addiction treatment programs to manage withdrawal symptoms, intensive round-the-clock care in a supportive environment through residential treatment, and flexible outpatient programs that allow clients to receive care while maintaining daily responsibilities. Additionally, the Anaheim Lighthouse facility provides aftercare and alumni support with ongoing resources to help clients maintain long-term recovery.

Anaheim Lighthouse's commitment to excellence is evident in its comprehensive approach to addiction treatment. The facility employs a multidisciplinary team of experienced professionals, including medical doctors, therapists, and support staff, who work collaboratively to provide holistic care. Their evidence-based treatment methods are designed to address not only the physical aspects of addiction but also the emotional, psychological, and social factors that contribute to substance use disorders.

Anthem Blue Cross stands as a premier health insurance provider in California, offering an extensive choice of healthcare plans for individuals, families, and businesses. Their mission is to deliver superior care to members, provide exceptional value to customers, and enhance the health of the communities they serve.

Over the years, Anaheim Lighthouse has always been dedicated to helping individuals reclaim their lives from the grips of addiction. Their compassionate and skilled team has successfully guided countless individuals on their recovery journeys, fostering hope and transformation. The increased in-network status with Anthem Blue Cross will allow Anaheim Lighthouse to build on this legacy, reaching and assisting even more people in need.
