A tribute to dads and their vehicles. Father?s Day is a time to honor the dedication, hard work, and love that fathers bring into their families? lives. Seat Covers Unlimited recognizes that many dads have a special bond with their vehicles, often spending countless hours maintaining and personalizing them. Often that maintenance comes from kids drawing on their seats or removing gum from seats and headrests. As unpaid Uber or taxi drivers, dads spend an exorbitant amount of time driving kids to and from school and extracurricular activities like sports. With this in mind, the company has curated a promotion that allows families to give their dads a meaningful and practical gift that enhances the driving experience.

?Our Father?s Day promotion is our way of saying thank you to all the amazing dads out there,? said Ben Bodrero, spokesperson for Seat Covers Unlimited. ?We know how much pride they take in their vehicles, and we want to help them protect and personalize their rides with our premium seat covers. This offer provides a fantastic opportunity to upgrade not just one row, but multiple rows of seats at a significant discount.?
