January 08, 2016 - PRESSADVANTAGE -

Ray Higdon, who runs his business from Fort Myers, FL, is happy to announce that tickets are now available for his upcoming event: Speak Your Team Rich. As an industry leading MLM recruiter and speaker, Higdon will reveal how to triple the size of a person's team and residual income in as little as 30 days. Tickets are going very quickly, so people are encouraged to get theirs as soon as possible.

Ray Higdon himself says: "I really want to encourage you to grab your tickets right now, because they are going fast. I was once terrified of public speaking. Slowly but surely, I learned how to speak and present, and since, have now shared the stage with people like Tony Robbins, Robert Kiyosaki, Bob Proctor, Brendon Burchard and many more. I want to share my secrets with others, so that they can achieve similar successes."

Two types of tickets are available for the event. The first is the standard ticket, which gives holders access to the event between January 29 and 30. During that time, attendees will take part in a 'speaker trainer' workshop and will be able to engage with Ray directly and ask him any question. The environment has been created to encourage mastermind thinking. At the end of the event, people will leave with a complete action plan on how to make their team successful. The second ticket is the VIP package and it includes an additional day on January 31. Each day, VIP ticket holders will receive lunch and they will be invited to the

VIP cocktail party. On the final day, they will be able to take part in an exclusive mastermind day. Full details about the program are also available through Ray Higdon's Facebook page.

"I am only selling 150 tickets for the full event," adds Ray Higdon. "Furthermore, I only intend to host this event once. That means it is now or never. I'm glad to see so much interest already, and this does mean that those who don't have a ticket yet will need to get theirs quickly."

Higdon also encourages everyone to follow him on Twitter to be kept up to date with developments about the event.
