

Dallas Landscape Lighting Company Keathley Landscaping Expands Services to Illuminate Outdoor Spaces

June 14, 2024

GARLAND, TX - June 14, 2024 - PRESSADVANTAGE -

Keathley Landscaping, a local company based in Dallas, Texas, proudly announces the expansion of its professional landscape lighting services. Since its founding in 2002, the company has been delivering high-quality and affordable landscaping solutions to clients in Dallas, Garland, Wylie, Plano, and nearby areas. The new lighting services are designed to enhance outdoor spaces by creating customized lighting designs that highlight the unique features of each property.

The Dallas landscape lighting company offers several lighting options to meet various needs and preferences. They specialize in accent lighting to spotlight specific focal points, which adds depth and drama to outdoor spaces. Pathway lighting improves safety and security by making walkways visible and inviting. Deck and patio lighting turn these areas into warm, welcoming spots for relaxation and social gatherings. Water feature lighting brings extra beauty to ponds, fountains, and other water elements, while moonlighting effects create a peaceful and ambient atmosphere.

Logan Keathley, the company's CEO, commented on the service expansion: "We see high demand for quality landscape lighting as more people invest in their outdoor spaces. Our new services aim to provide clients with options that are both functional and aesthetically pleasing." He added, "We believe our customized solutions will help clients make the most of their yards, whether they are hosting gatherings or enjoying a quiet evening at home."

One key aspect of Keathley Landscaping's new services is their commitment to eco-friendly and sustainable practices. The company uses energy-efficient bulbs, LED technology, and smart lighting controls. These choices help reduce carbon footprints and cut down electricity costs. The lighting fixtures are durable and built to endure harsh weather conditions, ensuring long-lasting performance with minimal maintenance.

As a Dallas landscape lighting company, Keathley Landscaping prioritizes working closely with clients to create personalized lighting plans. Their skilled designers and technicians collaborate with clients to understand their preferences and highlight the best features of their properties. This client-focused approach ensures that each project meets individual needs and tastes.

In addition to the new lighting services, Keathley Landscaping continues to offer a wide range of services. These include landscape design and construction, installation of patios, fences, pergolas, decks, and lawn care and maintenance. The company's expertise in stonework, flowerbeds, fencing, and sodding further boosts the look and functionality of outdoor spaces.

Being recognized as a top landscape lighting company in Dallas, Keathley Landscaping has built a strong reputation for quality and reliability. Their customer-focused approach has won numerous positive reviews from satisfied clients. This dedication to excellent service is clear in their ongoing efforts to expand and enhance their offerings.

To support the launch of their new lighting services, Keathley Landscaping has updated its website with detailed information about the new options. Clients can explore the various lighting solutions and request estimates directly through the website. The site also features recent posts related to other services provided by the company, such as sod installation and French drains.

"As we grow and expand our services, our core commitment remains the same ? helping our clients achieve their dream yards and outdoor spaces," said Keathley. "Our new landscape lighting solutions are an extension of this commitment, providing clients with options to enhance their outdoor living areas."
