The Shirazi Law Firm, known for its expertise in employment law, offers comprehensive legal assistance to victims of workplace harassment and discrimination. Emanuel Shirazi, a seasoned attorney specializing in labor and employment matters, leads the practice. The firm offers free consultations and operates on a contingency fee basis, meaning clients only pay if they win their case. One of their main focuses is representing victims of sexual harassment in the workplace.

The Shirazi Law Firm is dedicated to supporting and representing employees who have experienced various forms of sexual harassment.
