

EPS Landscaping & Tree Service LLC Expands Tree Maintenance Services to Meet Growing Demand

June 19, 2024

Pembroke Pines, Florida - June 19, 2024 -
EPS Landscaping & Tree Service LLC has announced the expansion of their tree maintenance services. The company's goal is to meet the growing demand for quality tree care in the region, ensuring trees remain healthy and beautiful all year round.

Known for their high-quality landscaping and tree care services, EPS Landscaping & Tree Service LLC aims to provide comprehensive tree maintenance in Pembroke Pines and nearby areas like Hallandale Beach, Hollywood, Miramar, and Southwest Ranches with this latest expansion.

Tree maintenance is key to keeping trees healthy and looking great. Regular upkeep includes trimming, pruning, and disease management. Proper care helps trees thrive and enhances the landscape. By offering these services, EPS Landscaping & Tree Service LLC helps homeowners and businesses maintain the value and beauty of their outdoor spaces.

Greg O'Connell, a company representative, shared, "We are excited to expand our tree maintenance services to better serve our community. Our goal is to provide the best care possible for the trees in Pembroke Pines and surrounding areas. Trees are a vital part of our environment, and proper maintenance is essential for their health and longevity."

The expanded services include tree planting, trimming, pruning, and general tree health management. Tree planting services involve choosing the right tree species for each location and planting them properly. Tree trimming and pruning remove dead or diseased branches, improve tree structure, and promote air circulation and sunlight penetration. Regular maintenance can also prevent hazards like falling branches.

In addition to the new services, EPS Landscaping & Tree Service LLC has received positive feedback for their work. A Google Maps review praised the company?s communication, quality of work, cutting, edging, trimming services, and post-job clean-up. The reviewer also appreciated the online billing system. This feedback highlights the company's commitment to customer satisfaction and excellent service delivery.

EPS Landscaping & Tree Service LLC maintains a blog that offers tips and information related to landscaping and tree care. This resource is part of the company?s effort to educate the community about the importance of maintaining healthy landscapes and provide practical advice for homeowners and businesses.

"Proper tree maintenance is critical for the safety and beauty of our environment," added O?Connell. "By extending our services, we aim to be the go-to provider for tree maintenance needs in Pembroke Pines and beyond."

The company serves a variety of clients, including residential homeowners and commercial property managers. EPS Landscaping & Tree Service LLC offers a wide range of services to meet the unique needs of each client. Their services also include lawn care and irrigation, offering a complete approach to landscape management.
