Causeway Bay, HK - June 20, 2024 - PRESSADVANTAGE -

Ginza Diamond Shiraishi Hong Kong is happy to announce the launch of the "Wishing Flower" collection, available starting June 22, 2024. This collection features a range of wedding rings, engagement rings, and ring sets, each designed to honor the commitment and joy of couples.

The "Wishing Flower" collection is inspired by the beauty of flower petals dancing in the breeze. Each piece is crafted from platinum and decorated with diamonds, ensuring both elegance and strength. For women, the wedding ring showcases diamonds along its curve, resembling dancing petals. The men's ring, on the other hand, offers a comfortable fit with a diamond set at a unique angle.

Daren, a representative of Ginza Diamond Shiraishi Causeway Bay, shared insights on the new collection: "The 'Wishing Flower' collection is designed to capture the essence of love and commitment. Each piece is crafted to not only be visually stunning but also to last a lifetime, symbolizing the eternal bond between couples."

The collection also allows for personalization. Customers can select from materials like yellow gold, rose gold, spring bud gold, and cherry blossom pink, in addition to platinum. This variety ensures that every couple can find a ring that matches their style and preferences.

In addition to the wedding rings, the "Wishing Flower" collection also includes engagement rings and ring sets, designed with the same attention to detail and skill. The engagement ring in this collection features diamonds and side stones that blend elegantly, creating lines reminiscent of flower petals in motion. These unique designs help couples capture and treasure their special moments.

"Our aim with the 'Wishing Flower' collection was to create something timeless and meaningful," said Daren. "We wanted to produce pieces that would not only be beautiful but also carry a deep significance for the couples who wear them."

Ginza Diamond Shiraishi Hong Kong offers several services to enhance the customer experience. These include a lifetime warranty, ring engraving, secret gemstone services, and ring maintenance.
