

# Bradsby Group Sponsor of Sampling for Hope Charity Event, Supporting Survivors of Domestic Violence

*August 26, 2024*

August 26, 2024 - PRESSADVANTAGE -

Bradsby Group, a leading boutique recruiting firm, proudly announces its continued involvement as a sponsor of the "Sampling for Hope" charity event. This event happened on June 6, 2024, at Asterisk in Denver. This annual food tasting event benefited SafeHouse Denver's Extended Stay Program. This important initiative offers supportive housing for survivors of domestic violence and their children, giving them extra time to transition from crisis situations to stable living conditions.

Sampling for Hope invites attendees on a culinary journey with a variety of appetizers, entrees, and desserts crafted by renowned local restaurants. The event also features a silent auction with exclusive items and experiences, a wine wall showing off a curated selection of fine wines, and a Heads or Tails game with prizes. Plus, there will be a survivor sharing their inspiring story, showcasing the impact of SafeHouse Denver's services.

Greg Peay, founder of Bradsby Group, said, "We are honored to support SafeHouse Denver and their Extended Stay Program through our sponsorship of Sampling for Hope. This event aligns with our values, and we are committed to helping families in crisis rebuild their lives."

The Extended Stay Program, started by SafeHouse Denver in 2018, is aimed at current clients who are no longer in immediate danger but still need support to achieve their housing goals. The program offers rent-free, secure, independent living in fully furnished two-bedroom apartments, acting as an essential stepping stone toward permanent housing. In 2024, the event aims to raise awareness and funds to sustain and grow this crucial program.

Bradsby Group has been a consistent supporter of Sampling for Hope since 2017. Their contributions exceed financial sponsorship; the team actively takes part in event planning and coordination. This involvement highlights Bradsby Group's commitment to making a positive impact in the community.

"We believe in supporting initiatives that offer tangible benefits to those in need," said Greg Peay. "Sampling

for Hope is more than a fundraising event; it provides essential resources and a pathway to safety and independence for survivors of domestic violence."

Founded in 1977, SafeHouse Denver is the only agency in the city and county offering a full range of care to adults, children, and youth affected by domestic violence. Their services include providing shelter, counseling, and partnering with public and community agencies to improve responses to domestic violence. They also run educational programs to prevent future violence.

The Bradsby Group, with its headquarters in Denver and hubs in Houston and Westport, CT, excels in executive search, leadership consulting, and career transition services. As an employee-owned firm known for its high-performance and candidate-focused approach, it uses deep industry networks to connect top talent with leading companies nationwide. More details about the firm can be found on the company's "Who We Are" page on their website.

Bradsby Group's sponsorship of Sampling for Hope reflects its larger commitment to corporate social responsibility. The company views its involvement as a way to give back to the community and support meaningful causes. This approach aligns with their daily operations, where the focus is on fostering long-lasting relationships and providing value to not only their corporate clients but also the communities they serve.

For those interested in experiencing Bradsby Group's wide array of services, including executive search, leadership consulting, and career transition services, detailed information is available on their website.

SafeHouse Denver's Annual Sampling for Hope event is a key fundraiser, generating essential support for the organization's Extended Stay Program. By attending, guests not only enjoyed an evening of fine dining and entertainment but also contributed to a cause that provides lasting benefits to families in need.

As Greg Peay concluded, "Our participation in Sampling for Hope is a testament to our ongoing support for SafeHouse Denver and their mission. We look forward to another successful event and the opportunity to help even more families find safety and stability."
