Los Angeles, California - July 02, 2024 - PRESSADVANTAGE -

Los Angeles, CA Your Laser Skin Care, a premier provider of aesthetic treatments and a leader in Los Angeles Botox treatments, is proud to announce the introduction of SKINVIVE by JUVÉDERM, a revolutionary hyaluronic acid microdroplet injectable treatment designed to enhance skin smoothness and radiance in the cheek area. This cutting-edge treatment is now available at Your Laser Skin Care, offering patients a long-lasting solution for achieving smoother, more luminous skin.

SKINVIVE by JUVÉDERM represents a significant advancement in skin rejuvenation, utilizing innovative technology to improve skin quality by smoothing the skin and boosting hydration levels. This treatment is suitable for all skin tones. The skilled and experienced providers at Your Laser Skin Care have undergone extensive training to administer SKINVIVE treatments, ensuring optimal results and patient satisfaction.

"At Your Laser Skin Care, we are always seeking out the most advanced and effective treatments to offer our patients," said Dr. Ella Fedonenko, founder and medical director of Your Laser Skin Care. "SKINVIVE by JUVÉDERM is a game-changer in skin rejuvenation, providing unparalleled skin smoothness, hydration, and

radiance. We are excited to be at the forefront of this innovation and to bring this transformative treatment to our patients."

Patients who have received SKINVIVE by JUVÉDERM treatments have reported remarkable improvements in the appearance and health of their skin. They have noted increased skin glow, enhanced hydration, and a refreshed, youthful look compared to their skin before treatment. With optimal treatment, the benefits of SKINVIVE can be maintained for up to 6 months, offering long-lasting results without the need for frequent touch-ups.?

"As a leader in Botox treatments in Los Angeles, we understand the importance of providing our patients with the most advanced and effective aesthetic solutions," added Dr. Fedonenko. "SKINVIVE by JUVÉDERM perfectly complements our existing portfolio of treatments, allowing us to offer a comprehensive approach to skin rejuvenation. We are confident that our patients will be thrilled with the results they achieve with this groundbreaking treatment."

SKINVIVE treatments are designed to seamlessly integrate into patients' busy lifestyles, with minimal downtime and no disruption to daily activities.
