

Lady Waste Corp Expands Waste Management Service Area to Winter Haven for Reliable and Affordable Solutions

July 02, 2024

July 02, 2024 - PRESSADVANTAGE -

Lady Waste Corp announced today that they are expanding their service area to include Winter Haven, Florida. With this move, more residents and businesses in the area will now have access to reliable and affordable dumpster rental services. Lady Waste Corp is known for its dependable options and fair pricing, specializing in both commercial and residential waste disposal solutions.

Over time, Lady Waste Corp has built a solid reputation for its range of services. These include homeowner dumpster rentals, commercial dumpster rentals, junk hauling, and foreclosure clean-outs. The company's offerings are designed to meet the diverse needs of their customers. They currently operate in Orlando, Apopka, Winter Garden, Winter Park, and now Winter Haven.

Lilly Luna, CEO of Lady Waste Corp, shared her excitement about the expansion. "This new service area in Winter Haven allows us to offer our waste management services to a wider audience. We have always

prioritized customer satisfaction, and this expansion will enable us to help even more people manage their waste efficiently."

Homeowners in Winter Haven can now easily rent dumpsters for various projects, such as renovations or major cleanouts. Lady Waste Corp delivers the dumpster to the customer's location, allowing them to fill it up at their own pace. Once the dumpster is full, the company handles the removal, making the process seamless for the homeowner.

In addition to residential services, Lady Waste Corp also caters to commercial customers. Businesses, contractors, property managers, and other commercial entities can rent dumpsters suited to their specific needs. These commercial dumpster rentals ensure that businesses can focus on their core activities while the waste management is handled professionally. Another key service offered by Lady Waste Corp is junk hauling. The company can dispose of a wide variety of items, including refrigerators, mattresses, construction waste, yard waste, trash, appliances, televisions, furniture, e-waste, and hot tubs. This service is especially useful for those who have items that are difficult to dispose of through regular waste collection.

Foreclosure clean-outs are another area where Lady Waste Corp provides valuable help. Banks, real estate agents, and property management companies can rely on the company to clean out foreclosed properties, making them ready for the next steps in their respective processes. Details about this service can be found on their website's dedicated foreclosure clean-outs page.

Lady Waste Corp is committed to making the booking process as straightforward as possible. They offer a convenient online scheduling tool that allows customers to book their dumpster rental within minutes. Additionally, customers can get instant quotes over the phone, ensuring transparency and ease of access.

"Our offering in Winter Haven is a testament to our commitment to expanding our footprint and serving more communities," Luna added. "We believe that our reliable and reasonably-priced services will be a great asset to this new market, and we look forward to meeting the waste management needs of the residents and businesses in Winter Haven."
