BRITAIN'S FINEST to Headline Harmony & Healing's Benefit Concert Celebrating the Power of Music on October 18, 2024

July 15, 2024

San Ramon, California - July 15, 2024 -
Harmony & Healing has announced the 4th Annual Benefit Concert, set for Friday, October 18, 2024, at the Bankhead Theater. This event will feature BRITAIN'S FINEST, a tribute band honoring the music of The Beatles. The goal is to raise funds to support the organization's mission of providing live and virtual musical performances for patients and their families in healthcare facilities across the United States. Full details on the event can be found on the link here: https://www.harmonyandhealing.org/benefit-concert/

David Victor, the founder of Harmony & Healing, shared his excitement about the event. "We are thrilled to bring BRITAIN'S FINEST to our Benefit Concert. This annual event is a key part of our fundraising efforts and helps us continue to bring the healing power of music to those who need it most."

Harmony & Healing, founded by former BOSTON guitarist and co-lead vocalist, David Victor, aims to lift spirits through music. The organization arranges virtual musical visits via Zoom, creating joyful sessions for patients and their caregivers at no cost. These visits are possible thanks to private donations, corporate funding, and planned giving. For those interested in requesting a musical visit, detailed information is available on the Harmony & Healing website.

Each musical visit is designed to meet the needs of the patients. Family members can request a personalized virtual session on the Harmony & Healing website. The organization then matches the patient with a suitable musician to perform the visit. These sessions offer a much-needed break from medical challenges, connecting patients with the energizing power of live music.

David Victor highlighted the impact of these visits: "Our musical visits provide more than just entertainment; they offer emotional and psychological relief. These joyful moments significantly affect the well-being of

patients and their families." The organization's website has more about its impact and testimonials.

The 4th Annual Benefit Concert serves as a major fundraiser for the non-profit. In 2024, BRITAIN'S FINEST will perform a tribute to The Beatles, promising an unforgettable night for attendees while supporting a noble cause. Sponsorship packages are available to offer businesses and corporations valuable visibility and the satisfaction of aiding a good cause.

Harmony & Healing continually expands its reach by partnering with healthcare facilities. One such partnership is with George Mark Children's House Pediatric Hospice, which serves children with incurable illnesses. Harmony & Healing's regular virtual musical visits help lift the spirits of young patients and their families during tough times.

The organization also stresses the importance of planned giving to sustain its mission. They offer a comprehensive guide to planned giving, explaining different types of contributions such as bequests, life insurance, and retirement assets. Planned giving not only provides financial benefits for donors but also ensures long-term stability for the organization. This guide is available on their website for anyone interested in making a lasting impact, and can be found here https://www.harmonyandhealing.org/comprehensive-guide-to-planned-giving/.

Additionally, Harmony & Healing keeps the community updated through regular news posts on its website. These updates cover everything from upcoming events to new partnerships. Information about the artists involved, their work, and opportunities for aspiring musicians to join the cause is also provided on their website.

Harmony & Healing welcomes anyone who is interested in exploring their services, or considering making a donation. Donations are crucial to continuing their work and expanding their reach to more patients and healthcare facilities.

The upcoming Benefit Concert, regular virtual musical visits, and the focus on planned giving are essential parts of Harmony & Healing's efforts. By using the power of music, the organization creates moments of joy and healing, making a meaningful impact on the lives of patients and their loved ones. For more information, visit the Harmony & Healing website and learn how to support their mission. More details about their partnership with George Mark Children's House Pediatric Hospice can be found at https://www.harmonyandhealing.org/george-mark-childrens-house-pediatric-hospice/.
