

True Eye Experts Announces July 6th Pop-Up Sale at New Tampa and Lutz Locations

July 05, 2024

July 05, 2024 - PRESSADVANTAGE -

New Tampa FL ? True Eye Experts is hosting a pop-up sale for all frames store-wide on Saturday. This single-day promotion is being held at two of their practice locations. Get \$25 off all frames in the store plus an additional \$25 off with an RSVP. Visit either the New Tampa location at 19070 Bruce B. Downs Blvd. Tampa FL 33647 from 8 AM ? 5 PM or the Lutz location at 23388 St. Rd 54 Unit 102 Lutz FL 33549 between 9 AM ? 3 PM.

?We're always looking for ways we can give back to the patients who have given us so much,? said Kevin Whaley. ?It's more than just the sale; we're turning the event into a party! At both our New Tampa and Lutz locations, patients will enjoy a food truck, gifts, and a fun 4th of July theme. Our eye doctors and staff love spending time with patients and getting to know them better, and it's nice to do that outside of the appointment setting.?

During the promotion, patients will receive an automatic \$25 off any pair of frames they purchase through the store. Any purchase made during the sale will also receive a free mystery gift. Patients are not required to schedule an appointment to attend, though they are encouraged to if they need an updated prescription.

?Bringing people together, celebrating community, and offering fun deals on our excellent eyewear selection is what this is all about,? said Whaley. ?It's our way of saying thank you to not just our patients but the entire neighborhood for their continued support.?

The selection available to patients is extensive. True Eye Experts offers a variety of designer frames and specialized lenses, including prescription and non-prescription glasses. Their optical selection includes single vision, bifocal, trifocal, and progressive lenses, along with additional specialty lens options like non-glare coatings and blue light lenses.

Beyond eyewear, True Eye Experts provides comprehensive eye care services for patients of all ages. Their offerings include routine eye exams, management of eye diseases such as glaucoma and diabetic

retinopathy, and specialized treatments for conditions like dry eye and myopia. Using state-of-the-art diagnostic technology, their team specializes in the early detection and effective management of eye health issues. Their practice is a one-stop destination for all eye care needs.

True Eye Experts is now taking new and existing patients. To schedule an appointment or ask questions about the promotion, call True Eye Experts at +1 813-710-4015.
