Iconic Tiles Expands Bathroom Tiles Collection with Eco-Friendly Options and Stylish Designs

July 18, 2024

Smithfield, NSW - July 18, 2024 -
Iconic Tiles is happy to announce that it has expanded its bathroom tiles collection. With this new range, customers will have more options for both bathroom renovations and new construction projects. Known for its wide selection of high-quality tiles and bathware, Iconic Tiles aims to provide versatile and durable products to meet the needs of its clients.

The expanded collection includes many new designs and materials, catering to different tastes and preferences. Each new product has been carefully chosen to meet the high standards that Iconic Tiles is known for. From classic to modern styles, the new tiles offer plenty of options to fit personal styles.

One notable feature of this expansion is the addition of eco-friendly options. These sustainable tiles are made from recycled materials and use low-impact manufacturing processes. This move fits with Iconic Tiles' aim to promote environmentally responsible products without sacrificing quality or design.

Emma Johnson, the CEO of Iconic Tiles, shared her thoughts: "We are thrilled to broaden our bathroom tiles collection. This expansion not only gives our customers more design choices but also introduces sustainable options. Our goal is to offer something for everyone, and these new additions help us achieve that."

In addition to the new collection, Iconic Tiles continues to offer a variety of services to support their products. Design consultation remains key, helping customers pick the perfect tiles for their vision. The company also commits to fast delivery, ensuring that tiles arrive within 2-4 business days after an order is fully paid. Professional tile installation services are also available through Iconic Tiles' partner installers.

The website has been updated to showcase the new collection. Visitors can browse the various options by visiting the bathroom tiles section at https://www.iconictiles.com.au/product-category/bathroom-tiles/. The expanded selection includes a wide range of bathroom floor tiles available at https://www.iconictiles.com.au/product-category/bathroom-tiles/bathroom-floor-tiles/. Customers can filter products by finish, color, material, size, shape, and price, making it easy to find the right tiles for their project.

Sales Manager Robert Thompson commented on the launch: "Our new bathroom tiles collection shows our continued commitment to variety and quality. We've listened to our customers' feedback, and these additions reflect their needs. We're especially proud of the eco-friendly options, which align with broader efforts to promote sustainability."

Iconic Tiles' expanded bathroom tiles collection includes not only a variety of styles but also practical advantages. The new tiles are designed to be durable and easy to clean, making them a practical choice for any bathroom. They come in various finishes, from matte to glossy, ensuring there?s an option for everyone.

Customers can expect the same easy shopping experience on the Iconic Tiles website. Detailed product descriptions, high-quality images, and the ability to request quotes or place orders directly make navigating and choosing products straightforward. Additionally, the design consultation service helps turn ideas into reality, offering expert advice on selecting tiles to match both style and budget.

To complement the bathroom collection, Iconic Tiles also supplies kitchen sinks and bathware, providing a one-stop shop for renovation and new build needs. Their dedicated section for kitchen sinks and various bathware products ensures customers have a wide array of options for every aspect of their home projects.

The new collection is available now, with many tiles already listed on the website. Whether you are renovating a bathroom or planning a new build, now is the perfect time to check out the wide array of options available. Visit https://www.iconictiles.com.au/ to start browsing the expanded selection of bathroom tiles.

Iconic Tiles remains a leading provider in the industry, dedicated to quality and customer satisfaction. This latest expansion of their bathroom tiles collection is another step in their mission to offer the best in tiles and bathware.
