

Newest Dentist in Louisville, CO Joins Studio Z Dental: Dr. Sara Qadi Enhances Holistic Care

July 17, 2024

Louisville, Colorado - July 17, 2024 -
Studio Z Dental recently announced that Dr. Sara Qadi has joined their team of dental professionals. Dr. Qadi is the newest dentist in Louisville, CO, bringing extensive experience in periodontal care to the practice.

Dr. Qadi was born and raised in the Midwest. She attended the University of Missouri-Kansas City, earning her bachelor's degree in chemistry and a doctorate in dental surgery. She completed her postgraduate training in periodontal surgery at the University of Nebraska Medical Center. There, she also served as a clinical and course instructor for predoctoral students. Dr. Qadi specializes in esthetic and reconstructive periodontics, which includes gum grafting, extractions, bone grafting, and dental implant therapy. She is board-certified by the American Academy of Periodontology and is known for using the latest research and techniques in her treatments.

Dr. Tom Zyvoloski, owner and lead dentist at Studio Z Dental, is excited about Dr. Qadi joining the practice. "We are thrilled to welcome Dr. Qadi to our team. Her extensive knowledge and experience in periodontology

will greatly benefit our patients. She fits perfectly with our mission to provide holistic, patient-centered care."

Studio Z Dental is known for its holistic approach to dentistry, emphasizing patient health and wellness. The practice offers a range of services including holistic dentistry, implant surgery, cosmetic dentistry, family dentistry, and more. Dr. Qadi's addition to the team strengthens their ability to provide specialized periodontal treatments, making their services even more comprehensive.

The holistic dentistry approach at Studio Z Dental goes beyond traditional dental practices by considering the patient's overall health and wellness. Services like mercury-free and mercury-safe dentistry, ozone therapy, and biocompatibility testing are just a few examples of their holistic offerings. They also provide fluoride-free options and use BPA, gluten, and latex-free dental materials to ensure patient safety.

Dr. Qadi's commitment to evidence-based practice and patient care is evident in her extensive background. She has been published in several peer-reviewed dental journals, showcasing her contributions to the field. Additionally, she is certified in laser dentistry, an advanced technique that offers precise and effective treatment options.

"Joining Studio Z Dental is an exciting opportunity for me to continue my practice in a patient-focused environment," said Dr. Qadi. "I am passionate about periodontal health, and I look forward to working with a dedicated team to provide the best care for our patients."

Outside of her professional life, Dr. Qadi enjoys activities like pickleball, gardening, horseback riding, and Brazilian Jiu-Jitsu. She also loves spending time with her family and her Pomeranian, Giovanni.

Studio Z Dental, located at 818 W South Boulder Rd, Louisville, CO, has a high rating of 4.9 stars based on 214 reviews. This reflects patient satisfaction with the quality of care provided. The practice is open from Monday to Friday and offers a variety of services to meet the diverse dental needs of the community.

The practice is LGBTQ+ friendly and aims to create an inclusive and welcoming environment for all patients. They also offer sedation options for surgical procedures to ensure patient comfort during more extensive treatments.

With Dr. Sara Qadi joining the team, Studio Z Dental continues to enhance its commitment to comprehensive and holistic dental care. Patients seeking expert periodontal care and a holistic approach to dental health will benefit from the expanded expertise available at the practice.

For more information about Studio Z Dental and to schedule an appointment with Dr. Sara Qadi, visit their website at studiozdental.com or call (303) 802-4313.

The leadership and team at Studio Z Dental look forward to the positive impact Dr. Sara Qadi will bring to the practice and to continuing to provide high-quality dental care to the Louisville community.
