

Go Industries Unveils Best Heavy-Duty Mud Flaps for Dually Truck Owners

July 18, 2024

Richardson, TX - July 18, 2024 - PRESSADVANTAGE -

Go Industries Inc. has launched a new line of heavy-duty mud flaps specifically for dually trucks. These mud flaps are crafted to protect the vehicle's paint and keep other drivers safe from mud, debris, rocks, sand, and salt. They fit a variety of truck models, including Chevrolet, Dodge Ram, Ford, and GMC, with prices ranging between \$37.41 and \$209.00.

The new dually mud flaps demonstrate Go Industries' dedication to providing high-quality truck accessories. Each set is tailored for dually trucks, which are known for their dual rear wheels. The company designed these mud flaps to be compatible with all models of dually trucks, offering owners a dependable way to maintain their vehicle's condition.

"We are very excited to introduce our latest line of heavy-duty mud flaps," said a representative from Go Industries. "These mud flaps offer robust protection against the elements and are essential for truck owners who want to extend the life of their vehicle's paint and bodywork."

Customers have several options within the new line of dually mud flaps. Choices include the Classic Dually Set, Stainless Steel Dually Set, Diamond Tread Dually Set, Dually Flaps & Brackets Only, and Dually Mounting Brackets Only. These customization options allow for a perfect fit, catering to each truck owner's unique needs and preferences.

These mud flaps join Go Industries' extensive range of truck accessories designed to enhance vehicle performance and lifespan. Alongside mud flaps, the company produces grille guards, winch application systems, bumper replacements, air flow tailgates, headache racks, and truck steps. These accessories provide essential protection and functionality for both the front and rear of trucks. For a comprehensive look at their offerings, including detailed descriptions and pricing, visit the Go Industries website.

"Truck owners often need accessories that can withstand tough conditions and offer reliable performance," said another representative. "Our grille guards and bumper replacements, made in the USA, as well as our headache racks, focus on durability and effectiveness. The introduction of our dually mud flaps aligns perfectly with this goal."

Go Industries also supplies specialized equipment for law enforcement vehicles to improve their safety and functionality. The accessories are designed for specific models like Chevrolet, Dodge, and Ford vehicles. Additionally, skid plates are available to protect the underside of vehicles during off-road driving or in challenging conditions.

The company's commitment to high-quality products extends to their custom manufacturing services. Customers can request quotes directly from the Go Industries website for products tailored to their specific needs. This ensures that each client gets a product that fits their requirements perfectly.

Go Industries also provides several resources to help customers. These include product instructions, a product catalog, warranty information, and instructional videos. The company has achieved Platinum Status with SEMA, signifying a high level of service and product quality.

To explore the full range of products and services, including the new heavy-duty mud flaps, customers can visit the Go Industries website. The site also offers links to other relevant products and categories, such as truck accessories, law enforcement products, and custom manufacturing services.

Go Industries accepts various payment methods, including cryptocurrencies, reflecting the company's effort to adapt to modern payment trends. It also promotes a newsletter and social media channels to keep customers informed about new products and updates.

With a history dating back to 1978, Go Industries remains committed to providing top-quality products and services for truck owners and law enforcement. The new line of heavy-duty mud flaps for dually trucks reinforces their reputation for quality and reliability.

For more information on the best dually truck mud flaps, truck owners and enthusiasts can visit the Go Industries website to view the complete product lineup and take advantage of the latest offerings.
