Richardson, TX - July 22, 2024 - PRESSADVANTAGE -

Go Industries Inc. has announced the release of their best heavy duty mud flaps for trucks. Designed specifically for dually trucks, these new mud flaps promise to provide top-notch protection and durability, making them a reliable choice for various driving conditions.

Since starting in 1978, Go Industries has been known for making high-quality truck accessories, law enforcement gear, and custom manufacturing services. This dedication to quality is clear in their new mud flaps, which are meant for GMC, Ford Super Duty, Dodge Ram, and Chevrolet dually trucks from 1990 to 2023.

These heavy duty mud flaps for trucks are built to defend against road debris, mud, and other elements. Made from strong materials, they offer durability that truck owners can count on. They come in different designs to fit various truck models perfectly and are easy to install.

"We are excited to introduce our new line of heavy duty mud flaps designed specifically for dually trucks," said the CEO of Go Industries. "Our goal has always been to provide top-notch products that meet the needs of our customers. These mud flaps reflect our ongoing commitment to quality and innovation."

It is worth noting that Go Industries ensures high standards across all their products. Truck owners can find grille guards, winch application systems, bumper replacements, air flow tailgates, headache racks, and steps on the Go Industries website, offering comprehensive protection and enhancement for their vehicles.

For law enforcement, Go Industries offers specialized gear that improves the functionality and safety of their vehicles. This includes accessories for Chevrolet, Dodge, and Ford vehicles, as well as skid plates that protect the underside during off-road driving or tough conditions.

The company also offers custom manufacturing services. Customers can get products tailored to their specific needs by requesting a quote directly from the Go Industries website. This ensures personalized solutions for any unique requirements.

"Our heavy duty headache racks and other truck accessories are made with the highest standards in mind," added a spokesperson for Go Industries. "Every product is designed to deliver maximum performance and durability, ensuring that our customers get the best value for their investment."

Go Industries also provides a variety of resources for customers. These include product instructions, a detailed product catalog, warranty information, and instructional videos. Their commitment to customer service is shown by their Platinum Status with SEMA, which highlights their high level of service and product quality.

Go Industries invites truck owners, law enforcement agencies, and others to check out their new heavy duty mud flaps and other truck accessories. With a long history of innovation and customer satisfaction, the company continues to lead the way in the industry.
