

LumiTea Releases New Detox Tea 30 Day Pack

January 07, 2016

January 07, 2016 - PRESSADVANTAGE -

The team at LumiTea is pleased to announce the release of their Detox Tea 30 Day Pack. The new pack is designed as a full month supply of tea to help users cleanse and slim down.

The blend has shown to offer benefits including hunger reduction, increased metabolism, energy boosting, decreased water retention, and more.

The 30 Day Detox Pack offers an entire month's supply of both the Skinny and Colon blends, which include oolong tea, ginger root, senna, and lotus leaves. Together, these blends may help users lose weight, decrease bloating, gain energy, and reset immune systems. More information can be found at <http://lumitea.com/product/lumitea-30-day-detox-plan/>.

About LumiTea

LumiTea offers a selection of powerful, all-natural teas that may offer weight loss, stress relief, and energy boosting properties.
