Elite Roofing & Solar Expands Denver Team with New Project Manager

August 05, 2024

August 05, 2024 -
Elite Roofing & Solar has announced that Bobby McAfee will join their team to help meet the growing demand in the Denver roofing market. McAfee, now serving as a Project Manager, brings years of experience that will strengthen Elite Roofing & Solar's ability to provide top-quality roofing and solar installations.

In his new role, McAfee will focus on building relationships with homeowners and ensuring a smooth process from initial inspections to final paperwork. His background as a bartender for over 15 years has given him the skills needed for this role. He is good at managing different personalities, handling criticism, and solving problems, which will help both him and Elite Roofing & Solar succeed.

Cody Hayes, Vice President of Elite Roofing & Solar, expressed his excitement about McAfee joining the team. "We are excited to welcome Bobby to our team. His background in customer service and his ability to connect with people will be vital as we continue to meet the increasing demand for our services in Denver," Hayes said. "His innovative approach and commitment to excellence align perfectly with our company's values."

McAfee, who started with the company in May 2024, shared his thoughts on his new role. "I'm thrilled to be part of the Elite Roofing & Solar team. Meeting new people every day and working in a dynamic environment is truly rewarding. My previous experience allows me to bring a unique perspective that I believe will benefit our operations and client relationships," he said.

Aside from handling daily project management tasks, McAfee acknowledges challenges, especially when dealing with insurance claims* for roof replacements. However, he finds it rewarding to help homeowners through these complex processes and enjoys seeing happy customers when projects are completed.

Elite Roofing & Solar is a well-known company based in Denver that specializes in residential roofing,

commercial roofing, and solar installations. They are known for high-quality services, positive customer feedback, and various recognitions from trusted sources like the Better Business Bureau, Google, Yelp, Facebook, Expertise, and Inc. 5000. Adding McAfee is a strategic move to sustain the company's growth and commitment to excellence.

McAfee has set clear objectives for the next 12 months. He aims to expand his industry knowledge and improve his communication skills. His goals include establishing a strong presence within his team and building a solid reputation for Elite Roofing & Solar in the market.

"As the Denver market continues to grow, adding experienced professionals like Bobby is essential for us to maintain the high standards our clients expect," Hayes added. "Our clients can look forward to more efficient service delivery and better customer care."

Elite Roofing & Solar offers a wide range of residential roofing services, including roof replacement, roof repairs, storm damage repair, and help with insurance claims. They also provide roof financing and referral rewards. In the commercial sector, they offer roof coatings, repairs, and specialized EPDM and TPO commercial roofing. For anyone considering a roof installation in Denver, the company is a top choice, supported by a dedicated team that prioritizes quality and customer satisfaction. Their solar roofing services include solar roof installations and replacements, utilizing Colorado's solar rebates and tax incentives.
