January 08, 2016 - PRESSADVANTAGE -

Whispers2Wealth, a business in Newburgh, Indiana, is proud to announce the launch of their traffic consulting services for those who are ambitious and passionate and ready to transform both their business and personal lives. The new service is designed specifically for those who are truly serious about becoming successful. Meanwhile, the company has also started a direct response social media campaign to introduce their line of services. The services are already proving to be very popular.

Imran Tariq from Whispers2Wealth says: "We offer search engine marketing and media buying services to established businesses seeking to increase their online presence, increase their customer base, and increase sales of their goods and services. We encourage everyone to watch our video to learn the secrets to make your company a legacy."

The company is only offering their services to businesses who meet their stringent requirements. They need to have a good, solid product and reputation. Additionally, they must be an active and healthy business. Finally, potential clients must already have a steady flow of leads and customers. Those who meet those requirements are encouraged to get in touch as soon as possible to see what Whispers2Wealth can do for them.

The company has also started a social media campaign to introduce their line of services. Their Facebook following has been growing rapidly over the past few weeks, with various people getting involved in the conversation and discussing their findings in relation to the services offered by the company. "W2W epitomizes the new generation of successful business makers," says Laura V. "I have to admit that I'm impressed with their diverse advanced details of knowledge on the various forms of traffic - from SEO to paid to video. They helped increase my sales by more than 20% in a few months. They are the kind of consultants my business needs because they are results oriented and get involved in my goals. And it gives me added value when I apply their special skills."

Whispers2Wealth has been featured in various media outlets for their effective line of services as well. They offer both traffic consulting and mentoring services and are very much in high demand. People are encouraged to contact them as soon as possible to check out their services.
