

## **Go Industries Unveils the Big Tex Grille Guard: The Ultimate Heavy Duty Brush Guard for Trucks**

*August 05, 2024*

Richardson, TX - August 05, 2024 - PRESSADVANTAGE -

Go Industries Inc. has introduced their newest truck accessory, the Big Tex Grille Guard. This heavy duty brush guard is designed specifically for full-sized Chevrolet, GMC, Dodge, and Ford trucks and SUVs. It aims to provide strong protection and a stylish look for truck owners.

The Big Tex Grille Guard is made from a single piece of 14-gauge steel tubing that measures just under 2 inches in diameter. This makes it much stronger and bigger than the usual 1.25-inch guards. Its sturdy build helps protect against road debris and off-road brush. The guard also features heavy outside welds, rubber pads, and optional headlight guards to make it even more durable. Plus, it offers an easy frame-mounted, no-drill installation, simplifying the setup for vehicle owners.

A representative from Go Industries shared, "The introduction of the Big Tex Grille Guard underscores our commitment to providing heavy-duty and reliable products for truck owners. Our emphasis on quality and durability ensures that our clients get the best in vehicle protection."

Since starting in 1978, Go Industries has been dedicated to creating a variety of products for trucks, law enforcement, and custom manufacturing needs. Their range includes items like air flow tailgates, headache racks, mud flaps, and steps, all made to boost the versatility and functionality of trucks. The Big Tex Grille Guard fits right into this product lineup, reflecting Go Industries' focus on high-quality truck accessories.

Go Industries also provides special equipment for law enforcement vehicles, with specific accessories and skid plates for Chevrolet, Dodge, and Ford models. These additions help protect the underside of vehicles, giving extra security for law enforcement personnel in tough conditions.

For customers with unique needs, Go Industries offers custom manufacturing services. Quotes for personalized solutions can be requested directly on the company's website, ensuring that customers receive items tailored to their specific requirements. More details about custom manufacturing and quotes are available on their website.

Customer support is a high priority for Go Industries too. They provide resources such as product instructions, a catalog, warranty information, and instructional videos. The company's strong reputation is supported by its Platinum Status with the Specialty Equipment Market Association (SEMA), showing their commitment to high standards in both service and product quality.

The heavy duty brush guard comes in a rugged matte black powder coat finish, giving vehicles a sleek look. It also includes a three-year warranty covering workmanship, materials, and finish (excluding welds), offering truck owners a reliable and long-lasting protection solution. All parts are made in the USA, which underscores Go Industries' commitment to domestic manufacturing.

The representative commented, "Our Big Tex Grille Guard embodies the strength and resilience that our customers have come to expect. It represents not just protection, but also a statement of style for truck owners who demand the best."

Go Industries continues to expand its offerings to meet the diverse needs of its customer base. In addition to truck accessories, they offer law enforcement products and custom manufacturing solutions, highlighting the company's versatile approach.

More details about the Big Tex Grille Guard and other products are available on the Go Industries website. The company's ongoing growth and product development efforts stay focused on enhancing user experience and providing valuable, high-quality solutions across different sectors.

Notably, the heavy duty headache racks for trucks and bumper replacements showcase the company's

commitment to delivering tough and reliable products, all made in the USA. Go Industries' focus on domestic manufacturing ensures strict quality control and reflects their high standards. Customers can learn more about these products and others on their website.

Go Industries has been a trusted name in the industry since 1978, continually offering superior products and services to their customers. The launch of the Big Tex Grille Guard affirms their status as a leader in truck accessories, providing dependable and innovative solutions for truck owners everywhere. For further details on the full range of offerings and additional product specifications, prospective customers are encouraged to visit their website.
