Employment Agencies In Roseburg Announce Significant Rise In New Jobs

January 11, 2016

January 11, 2016 - PRESSADVANTAGE -

Roseburg, OR Employment Agency Express Employment Professionals has announced that they have seen a surge in job openings on their books. The jobs span a variety of industries and they encourage job seekers to contact them as soon as possible to see if they can fill the positions. Job listings are available at <https://www.expresspros.com/RoseburgOR/Job-Openings.aspx>.

Willis Cook from Express Employment Professionals says: "The new year has seen a surge in employment opportunities and we are very happy to be at the heart of this. We have a commitment to quality and we check and interview all our applicants before recommending them for any position. We advise people who are not yet registered with us to contact us as soon as possible."

The jobs that are available span the Roseburg and surrounding area. They include a custodian in Roseburg, a cook in Diamond Lake, a veterinary tech assistant in Sutherlin, warehouse stocking staff in Roseburg, and many other positions. The openings also span a variety of different industries and skills. While the company has a number of applicants on their books already, they require more to fill all of these positions.

Express Employment, as can be seen on <https://www.expresspros.com/RoseburgOR/About-Us/Default.aspx>, aims to build success and hope. They want to be at the forefront of developing existing and emerging economies by ensuring that the best people are offered the best positions. They have a stringent application procedure for all their job seekers, which enables them to only put the best forward.

Their methods of working have stood them in good stead with employers and employees alike. "I was worried about all the interviews and checks they wanted to do on me," says Cindy T. "I now understand why they do and that is because they want to truly know who they have on the books, enabling them to only send the proper applicants to the right jobs. I was offered a position within a week and was hired immediately. This was two years ago, and I am still with the company."

Those interested in any of the positions available through the employment agency are encouraged to use <https://www.expresspros.com/RoseburgOR/Contact-Us/Default.aspx> to register.
