

Lone Wolf Exteriors Launches Premier Home Siding Replacement Services in Garland

August 13, 2024

LEWISVILLE, TX - August 13, 2024 -
Lone Wolf Exteriors has expanded its services to include home siding replacement in Garland, Texas. Now, homeowners in Garland have access to a range of high-quality exterior solutions to improve their homes' value and energy efficiency.

Based in Dallas-Fort Worth, Lone Wolf Exteriors serves both residential and commercial clients across Texas. They offer various services, including window replacement, siding replacement, door replacement, and roofing replacement. The company also provides in-person consultations and flexible financing options to suit different budgets.

By expanding into Garland, Lone Wolf Exteriors aims to meet the increasing demand for home siding replacement. They offer products like Prodigy Next Generation Insulated Siding, which is known for its durability and energy efficiency. This siding protects against harsh weather while requiring minimal maintenance. It also provides substantial energy savings through its high R-value insulation.

"Our aim is to provide high-quality, energy-efficient solutions to homeowners in Garland," said Michael Johnson, CEO of Lone Wolf Exteriors. "Our siding not only looks great but also offers durable, low-maintenance functionality that stands the test of time."

In addition to siding, Lone Wolf Exteriors offers home window replacement services. They work with top industry brands like Mezzo Windows, offering various styles and designs. These windows meet strict ENERGY STAR requirements, which means better energy efficiency and lower utility bills. Homeowners can learn more about their wide range of options on the Lone Wolf Exteriors window replacement page.

By extending their service area, Lone Wolf Exteriors can continue to provide their well-known turnkey service. This service combines high-quality products with excellent customer support. The company is fully insured and licensed, giving clients peace of mind. Additionally, Lone Wolf Exteriors partners with Kickstart Kids, a program that offers martial arts instruction to adolescents during school hours, showing the company's commitment to the community.

"Lone Wolf Exteriors remains committed to providing a 5-star experience for every client," said Sarah Miller, Customer Support Manager. "Our Garland expansion means more homes can benefit from our quality vinyl replacement windows and energy-efficient siding."

Garland residents now have access to the complete range of services from Lone Wolf Exteriors. These services include custom-shaped windows, double-hung windows, bay and bow windows from Mezzo, and high-quality door options for various needs. Each door is designed to improve both looks and security.

The company also offers comprehensive roofing solutions, including repair and replacement services for leaks, aging, and damage. They even provide solar panel installations for long-term energy savings and sustainability.

One of the key features of Lone Wolf Exteriors' customer service is their flexible financing options. They partner with leading financial institutions to offer competitive rates and terms, making it easier for homeowners to start their improvement projects without financial stress.

Lone Wolf Exteriors is known for its dedication to quality and customer satisfaction. Their new home siding replacement Garland service adds to their solid reputation. Clients can expect clear, reliable services backed by strong warranties and professional workmanship.
