

Clear Quality Auto Glass Revolutionizes Windshield Replacement Services with Industry-Leading Precision and Convenience

September 03, 2024

Las Vegas, NV - September 03, 2024 -
Clear Quality Auto Glass has introduced upgraded windshield replacement services, further solidifying its standing in the auto glass industry. With over 15 years of experience, the company ensures that every windshield replacement is performed with skill and accuracy.

Pete Hall, CEO of Clear Quality Auto Glass, emphasized the significance of this update: "A damaged windshield can severely impact driving safety. By offering excellent windshield replacement services, we aim to make sure our customers can drive safely, knowing their vehicles are secure."

Clear Quality Auto Glass's main location is at 5370 South Decatur Boulevard. Additionally, they have mobile units at 8095 South Rainbow Boulevard and 1797 East Cactus Avenue. These mobile services make it easy for customers to get their windshields fixed without traveling far from home.

The company's windshield replacement service follows a careful process. First, they prepare the vehicle to protect the interior. Next, they remove the old windshield and prep the area for the new glass. Then, they install the new windshield, making sure it fits perfectly. Finally, they inspect and clean the area, leaving the vehicle ready for safe driving.

Besides windshield replacement, Clear Quality Auto Glass offers other services like auto glass repair, windshield scratch repair, windshield chip repair, window tinting, ceramic nano coating, window regulator replacement, mirror glass repair or replacement, and ADAS calibration.

"We believe in providing more than just a service. Clear Quality Auto Glass aims to deliver an experience that leaves customers fully satisfied," said Pete Hall. "Our upgraded windshield replacement process is designed to be smooth and efficient, minimizing downtime for our customers."

With the rise of Advanced Driver Assistance Systems (ADAS) in vehicles, the company's ability to perform precise ADAS calibration is crucial. This ensures that sensors and cameras aligned with the windshield work correctly, adding to the vehicle's safety features.

Clear Quality Auto Glass also offers mobile glass replacement services, making it convenient for customers. They can have their windshields replaced anywhere in the Greater Las Vegas area, including Boulder City for an extra fee. Customers interested in the convenience of mobile glass replacement can learn more by visiting their website.

A recent 5-star review praised the efficiency and professionalism of their service, highlighting the company's dedication to customer satisfaction and quality.

The company's South Decatur location also offers amenities for customers waiting for their vehicles. These include a water station, a Mortal Kombat arcade game, and a TV for comfort and entertainment.
