HomeRite Windows and Doors recently announced that they are expanding their window replacement services in Waynesboro. As a local business, HomeRite is proud to offer high-quality window and door installation services that are tailored to meet each customer's needs. The company has been running since 2008 and is managed by the Cecco family. Known for their commitment to quality and customer satisfaction, HomeRite consistently receives positive feedback from their clients.

Nicholas Cecco, the CEO of HomeRite, stated, "We are excited to expand our window replacement services in Waynesboro. Our team is dedicated to delivering excellent craftsmanship and ensuring each project meets our high standards. This expansion reflects our commitment to serving the local community more effectively."

HomeRite offers a variety of products, including sliding patio doors, entry door systems, storm doors, endure windows, and glass repair services. Each window and door is customized to ensure a perfect fit, which is part

of their promise of quality and durability. They are also proud suppliers of Provia windows and doors, which are known for being energy-efficient and long-lasting.

Derek Schildt, a recent customer, left a five-star review praising the company's services on their Google Maps listing. Schildt mentioned that he was impressed by the straightforwardness and efficiency of HomeRite's staff, especially Nick. He also complimented the installation team on their friendliness, respectfulness, and quality of work, noting that they replaced four doors to his satisfaction. "The team was incredibly professional and respectful. I am delighted with the results and look forward to working with HomeRite on future projects," Schildt said.

In response to such reviews, HomeRite expressed their gratitude for the positive feedback and reiterated their commitment to maintaining high standards of professionalism and quality in all their services. Their dedication to customer satisfaction is evident in their consistent five-star ratings on both Google and Angie's List.
