

Xtreme Exteriors Named Top 500 Exterior Contractor by Qualified Remodeler

August 21, 2024

NIXA, MO - August 21, 2024 -
Xtreme Exteriors has been honored as No. 399 on Qualified Remodeler's 46th annual TOP 500 remodelers of 2024. This important publication for remodelers and home improvement companies in the U.S. selected Xtreme Exteriors for this respected list. The company is known for its skill in James Hardie siding installation, roofing, window installation, and remodeling. The selection criteria included installed remodeling dollar volume, total years in business, industry association membership, industry certification, industry awards, and community service.

"Being recognized as one of the top remodelers in the nation is a significant achievement for us," said Summer Lampe, Owner of Xtreme Exteriors. "We are grateful for the trust our clients place in us and remain committed to delivering superior quality and service."

Xtreme Exteriors is well-established in the Midwest. They have locations in Nixa, MO; Shawnee, KS; Rogers, AR; Pittsburg, KS; and Goodlettsville, TN. The company offers many services including siding installation,

roofing, windows, doors, composite decks, exterior painting, and storm damage repair. Visit their website to learn more about their comprehensive exterior services. They focus heavily on customer satisfaction, using high-quality materials and offering multiple extended warranties through their exclusive manufacturer certifications.

"The criteria for being a TOP 500 remodeler are stringent, and this recognition underscores our dedication to excellence and community service," said Hunter Lampe, CEO of Xtreme Exteriors. "Our goal has always been to improve the neighborhoods we serve while treating each customer like family."

Companies on the TOP 500 list share several key attributes. "Based on Qualified Remodeler's analysis, the TOP 500 firms tend to have strong revenues, a commitment to customer service, insightful sales techniques, and strong customer loyalty," These attributes helped place Xtreme Exteriors on this prestigious list and contribute to their ongoing success.

As a family-owned and operated business, Xtreme Exteriors prides itself on its core values: Family, Passion, Accountability, Timeliness, and Attention to Detail. These principles drive the success of their teams and foster a culture of care and excellence.

Xtreme Exteriors is the top James Hardie installer in the Midwest and a fully licensed exterior contractor providing a full range of services. These include siding repair and installation, roof repair and replacements, window and door installation, composite deck installation, and more. As a leading siding company in Springfield, Missouri, the wide array of services allows the company to meet diverse customer needs effectively.

The company's focus on quality and customer service has been a cornerstone since it started in 2001. With a team that has decades of experience, Xtreme Exteriors ensures that every project, big or small, is executed with careful attention to detail and craftsmanship.

"We treat everyone like family, and that philosophy is reflected in our work," added Summer Lampe. "Our customers should know that when they choose Xtreme Exteriors, they are getting the best in the industry. We are dedicated to maintaining high standards in every project we undertake."

Xtreme Exteriors' recognition by Qualified Remodeler highlights the company's dedication to excellence and considerable contributions to the remodeling industry. The company remains committed to improving the communities it serves and continually strives to offer top-notch services through its specialized teams and high-quality materials.

For homeowners looking for experienced siding contractors, Xtreme Exteriors provides unmatched service

and quality. Stay tuned for more updates from Xtreme Exteriors as they continue to build on their commitment to exceptional service and community involvement.
