Home Instead Hamilton Expands Live-In Care Services to Cabuslang, Enhancing Home Care Accessibility

September 13, 2024

September 13, 2024 -
Home Instead Hamilton, a respected home care provider in South Lanarkshire, has announced it is expanding its live-in care services to Cambuslang and the nearby areas. This move aims to meet the growing need for personalised and professional in-home care in the region. Since June 16, 2016, the company has been known for its dependable services and dedication to clients' well-being. With this expansion, families will now have greater access to live-in care services without long waits, helping them maintain independence and dignity.

Alan Barr, a representative from Home Instead Hamilton, expressed his excitement about the new initiative. "Expanding our live-in care services to Cambuslang allows us to assist more families in keeping their loved ones at home, where they feel most comfortable. Our caregivers are trained to offer a variety of support services to meet our clients' needs professionally."

Home Instead Hamilton's live-in care services cover companionship, personal care, night care, and respite care. Companionship involves engaging in conversations and participating in activities with clients. Personal care tasks include bathing, dressing, and medication reminders. Night care provides assistance during the evening, while respite care offers temporary relief for primary caregivers.

Beyond live-in care, the organisation provides several home care services in Cambuslang. These range from grocery shopping help, diabetes monitoring, and mobility aid to meal preparation, transportation support, medication management, and fall prevention measures. Each service is designed to meet the unique needs of each client, ensuring they receive thorough and personalised care.

Home Instead Hamilton has a high rating from the Care Inspectorate and a 9.6 rating on homecare.co.uk. The company also has twenty-five 5-star reviews on Google, which speaks to its strong reputation and client satisfaction. "Our high ratings reflect our commitment to providing exceptional home care services," Alan Barr

said. "We are extremely proud of the trust our clients place in us."

The company operates from 9:00 to 17:00, Monday through Saturday, and also offers 24-hour online assistance. Home Instead Hamilton's expansion into live-in care represents a significant improvement in its services. Having been operational for over six years, the company has always prioritised the comfort and well-being of its clients. This latest expansion is another step in their mission to offer comprehensive home care services that allow people to stay in their own homes.

The home care services offered in Cambuslang and surrounding areas help clients with a range of daily tasks. Shopping assistance helps clients keep their pantry stocked without the physical stress of going to the store. Diabetes monitoring and medication management ensure clients can manage their health conditions safely. Mobility aid and fall prevention measures make it safer for clients to move around their homes, reducing the risk of injury. Meal preparation and transportation support help clients maintain a healthy and active lifestyle.
