Lighthouse Treatment Center Welcomes New Medical Director

August 22, 2024

August 22, 2024 - PRESSADVANTAGE -

Anaheim, California - The Lighthouse Treatment Center, a leading drug and alcohol addiction rehabilitation facility in Anaheim, California, is proud to announce the appointment of Dr. Karun Gogna as its new Medical Director. This strategic appointment marks a significant milestone for the organization, which aims to enhance its treatment services under the new leadership.

Dr. Karun Gogna, a Board Certified psychiatrist, brings a wealth of experience to the Lighthouse Treatment Center. His extensive background includes working with patients from various socioeconomic and cultural backgrounds, making him uniquely qualified to handle the diverse needs of the center's clientele. Dr. Gogna completed his residency at the prestigious LAC+USC Medical Center after earning both his medical degree and undergraduate degree from the University of California, Irvine.

"We are excited to have Dr. Gogna join the Lighthouse Team. He brings new ideas and energy to the operations and quality of care for our clients," said Peter Davidson, COO & President of the Lighthouse Treatment Center. "His vast experience in both outpatient and inpatient settings, as well as his work via telehealth, makes him the perfect fit to lead our medical team. We are confident that his leadership will

significantly improve our programs and outcomes.?

Dr. Gogna's career spans multiple roles and responsibilities, including providing care across the lifespan and working with incarcerated populations. His multifaceted experience aligns seamlessly with the goals of the Lighthouse Treatment Center, which aims to deliver comprehensive and inclusive care to all individuals seeking help.

Moreover, Dr. Gogna's research involvement is particularly noteworthy. He has conducted significant research in neuromodulation for chronic pain, geriatric anesthesia, pediatric endocrinology, cardiovascular pharmacology, and biophysical chemistry. This extensive research background will be invaluable in introducing innovative treatment methods and evidence-based practices to the center.

"Joining the Lighthouse Treatment Center is an incredible opportunity," said Dr. Gogna. "I am eager to work with a team that is deeply committed to providing top-notch care for individuals struggling with addiction and mental health. My goal is to bring my experience and knowledge to enhance our treatment programs and ensure that we are offering the best possible care to our clients."

In addition to his clinical and research roles, Dr. Gogna has actively contributed to community wellness and education. He has served on boards of directors to promote education and wellness within underprivileged communities in Orange County and Southern India. His dedication to community service aligns perfectly with the mission of the Lighthouse Treatment Center, which strives to support not only its clients but also the broader community.

"With Dr. Gogna's leadership, we are looking forward to expanding our services and reaching more individuals in need," added Davidson. "His commitment to community service and his innovative approach to treatment will be pivotal in driving our mission forward."

The Lighthouse Treatment Center and its affiliated centers are set to benefit significantly from Dr. Gogna's expertise. His appointment is expected to enhance the quality of care and introduce new, evidence-based treatment modalities that will improve patient outcomes.

As the new Medical Director, Dr. Gogna will oversee all medical and clinical operations, ensuring that the center continues to provide high-quality, compassionate care. His leadership will be instrumental in implementing new treatment protocols and expanding the center's capabilities.

The Lighthouse Treatment Center is dedicated to helping individuals overcome addiction and reclaim their

lives. With Dr. Gogna at the helm, the center is poised to make even greater strides in the field of addiction treatment, offering hope and healing to those in need.
