Allfloors Trade Centre - Unveils New LVT Flooring Range in Maidstone

August 23, 2024

Kent, England - August 23, 2024 -
Allfloors Trade Centre, a well-known flooring specialist with over 100 years of combined industry experience, has just launched a new range of luxury vinyl flooring. These top-quality flooring options are available in Maidstone and nearby areas in Kent and cater to both homes and businesses. Their goal is to offer flooring that is durable, water-resistant, and stylish, meeting the diverse needs of their clients.

Luxury vinyl flooring (LVT) is popular for its excellent durability and easy maintenance. It can handle a lot of foot traffic and is water-resistant, which makes it ideal for kitchens, bathrooms, and other areas where moisture is common. The new collection from Allfloors Trade Centre comes in a wide range of finishes, styles, and colors, allowing customers to find the best fit for their interior designs.

John Pitt, CEO of Allfloors Trade Centre, said, "We are excited to introduce our new luxury vinyl flooring range to the market. Our goal has always been to offer high-quality products and excellent customer service. We believe that this new collection will give our customers versatile and long-lasting flooring solutions."

Besides offering a broad range of flooring options, Allfloors Trade Centre also provides full installation services. Their team of experts takes care of everything from the initial consultation and survey to the final installation and aftercare. This comprehensive service ensures that customers have a smooth experience and a floor perfectly fitted to their space.

A major advantage of LVT flooring is its flexibility. It can imitate the look of natural materials like wood and stone but comes with added benefits such as lower maintenance and higher durability. Additionally, Allfloors Trade Centre offers various kinds of vinyl flooring, including luxury vinyl flooring, vinyl sheet flooring, and vinyl planks. Each type has unique features suited to specific needs, providing options that are cost-effective and suitable for wet environments.

"We offer our customers personalized advice to help them choose the best flooring for their property," John Pitt added. "Our design consultation service aims to help our clients find inspiration and pick the perfect flooring that enhances their interiors."

Allfloors Trade Centre has made it simple for clients to explore their products by maintaining a detailed website and a YouTube channel. Clients can check out different options, watch videos for detailed insights, and learn about the benefits of various types of flooring.

Their services extend beyond Maidstone. They also cater to other Kent neighborhoods including Allington, Barming, Bearsted, Boughton Monchelsea, Boxley, Chart Sutton, Bredhurst, Loose, Yalding, Tovil, Sutton Valence, Teston, Hollingbourne, East Farleigh, Detling, Downswood, Langley, Leeds, and Lenham. This wide reach ensures that more people can benefit from their top-quality products and expert services.

To make the process more flexible and customer-friendly, Allfloors Trade Centre offers free estimates and promises to beat any written quotes for the required work. This approach allows customers to get competitive prices without the trouble of comparing multiple quotes.

In summary, Allfloors Trade Centre sustains its commitment to quality and customer satisfaction with the launch of its new luxury vinyl flooring range. Customers in Maidstone and the broader Kent area can anticipate receiving flooring solutions that are not just stylish but also sturdy and simple to maintain.
