Allfloors Celebrates Century of Expertise in Trade - Superior Laminate Flooring Now in Maidstone

August 23, 2024

Kent, England - August 23, 2024 -
All Floors Trade Centre has reached a big milestone, celebrating over 100 years of combined industry experience in delivering quality flooring solutions. The company serves the Kent, London, and surrounding areas, gaining a reputation for providing high-quality flooring supplies and installation services.

All Floors Trade Centre offers various services aimed at both residential and commercial clients. Their range includes the supply and installation of different types of flooring such as carpet, vinyl, luxury vinyl tile (LVT), laminate, hardwood, and artificial grass. With these comprehensive services, the company strives to be a one-stop-shop for all flooring needs.

One of their standout services is the domestic flooring package. This includes assessing the area, providing estimates, giving advice, showing samples, and installing the chosen flooring. This full-service approach ensures customers have a seamless experience from start to finish. For commercial customers, their flooring services cater to multiple industries with designs tailored to specific needs.

"We aim to deliver the best flooring solutions to our customers," said John Pitt, CEO of All Floors Trade Centre. "Our full fitting service includes not just supply and installation but also design services and aftercare. This comprehensive approach allows us to ensure top-quality results for both residential and commercial clients."

Aside from their wide range of services, All Floors Trade Centre takes pride in their competitive pricing. They offer free estimates and promise to beat any written quotes for any required work. This guarantee reflects their commitment to offering excellent value without sacrificing quality.

The company's design consultation service provides additional support for customers. By aiding clients in finding inspiration and selecting the best flooring for their needs, All Floors Trade Centre makes the task of

choosing new flooring less overwhelming. Their experienced team guides customers through each step, making sure all details are considered.

The quality of materials used by All Floors Trade Centre is another standout feature. They employ trusted brands for their flooring supplies, ensuring both durability and visual appeal. Their laminate flooring is particularly noted for its resistance to scratches, heavy foot traffic, stains, fading, and moisture. This makes it a versatile choice for any home or business.

"All Floors Trade Centre is dedicated to using the best materials and providing outstanding service," stated John Pitt. "Our customers can trust that their flooring will not only look great but also stand the test of time."

To keep clients informed, the company regularly updates its blog with the latest news and trends in flooring. They offer useful tips for maintaining the condition and appearance of floors, showcasing their dedication to long-lasting, high-quality service.

The company has recently put a spotlight on laminate flooring, especially in Maidstone and nearby communities like Allington, Barming, and Bearsted. They highlight the benefits of laminate flooring, including its durability, affordability, and timeless design. All Floors Trade Centre offers a full service from assisting customers in choosing the right type of laminate flooring to delivery and installation, ensuring a hassle-free experience.
