

All Things Dumpster Rental Expands Service with New Roll-Off Dumpster Sizes

August 29, 2024

August 29, 2024 - PRESSADVANTAGE -

All Things Dumpster Rental has announced that they are expanding their services with new roll-off dumpster sizes. Based in Ocala, the waste management company is now offering 11-yard, 15-yard, and 22-yard dumpsters. This helps them better serve residential, commercial, and construction needs in Marion County and nearby areas.

Vincent Davino, owner of All Things Dumpster Rental, shared his excitement about the new additions. "The introduction of these new dumpster sizes is a direct response to customer feedback. We aim to provide tailored waste management solutions that meet the diverse needs of our community."

All Things Dumpster Rental has been an important player in the local waste management scene by offering both dumpster rental service and junk removal. The company takes pride in their clear pricing, with no hidden fees, which has been a hit with their customers. Their website features an easy-to-use online booking system where customers can choose the dumpster size they need, fill in their details, and schedule delivery and

pick-up.

The new 11-yard, 15-yard, and 22-yard dumpsters are set to fit a range of projects, from small home cleanouts to larger construction site work. When customers rent a dumpster from All Things Dumpster Rental, they can use it for up to seven days.

Besides roll-off dumpsters, the company also offers junk removal services. Customers can schedule a pick-up time for unwanted items, which workers then load and dispose of responsibly. Pricing guides on the company's website help customers estimate costs before scheduling.

A useful feature on All Things Dumpster Rental's website is the 'Check Delivery Area' function. This tool lets potential customers check if their location is within the company's service area. This has been well-received as it offers clarity and convenience.

Customer feedback shows high satisfaction, with the company boasting a perfect 5.0-star rating on Google Maps based on 17 reviews. Customers often praise the quality of service and clear pricing. The business operates from 7:30 AM to 6:30 PM, Monday to Saturday, and is closed on Sundays.

The company also ensures a thorough cleanup after dumpster removal, helping it build a strong reputation for reliability. Davino emphasized this commitment by saying, "Our goal is not just to meet but to exceed our customers' expectations. We understand that efficient waste management plays a crucial role in the success of many projects, and we strive to provide the best service possible."

Prospective customers can learn more about All Things Dumpster Rental and the new dumpster sizes on the company's website. This platform includes details on how to book a dumpster, the types of waste accepted, and tips for preparing for delivery. The business emphasizes easy access for all, even offering an option to save their location or share it with others.

The company's headquarters is located at 4585 SE 62nd St, Ocala, FL 34480, making it well-situated to serve the Ocala Metropolitan Area and surrounding regions efficiently. The new roll-off dumpster sizes are expected to further strengthen All Things Dumpster Rental's standing as a trusted provider of waste management solutions in the local community.

To view more details or book a dumpster rental service online, customers can visit the official website of All Things Dumpster Rental. Additionally, location and contact details are available on their Google Maps listing.

For any queries or more information, customers are encouraged to reach out to the company during business hours.
