

Freedom Dumpster Expands Comprehensive Dumpster Rental Service in Southern Middle Tennessee

August 29, 2024

August 29, 2024 - PRESSADVANTAGE -

Freedom Dumpster, a leader in the dumpster rental service industry in Southern Middle Tennessee, has expanded its range of services to better serve both residential and commercial customers. The company is committed to providing reliable and efficient waste management solutions for various types of projects.

Now offering more specific services, Freedom Dumpster includes roll-off dumpster rentals, refrigerator disposal, garbage removal, mattress disposal, foreclosure clean-outs, construction waste removal, yard waste removal, trash removal, appliance removal, television disposal and recycling, furniture removal, e-waste disposal, and hot tub disposal. Their goal is to offer comprehensive waste management options that meet the diverse needs of the community.

Justin Derken, CEO of Freedom Dumpster, stated, "Our goal has always been to support our community with reliable and timely waste removal services. By expanding our offerings, we aim to provide even more value to our customers and ensure their projects run smoothly without the hassle of waste disposal."

The company offers different sizes of roll-off dumpsters: 15, 20, 30, and 40 yards. This variety ensures that customers can choose the right size for their project. Whether it's a small home renovation or a large construction job, Freedom Dumpster has a suitable waste management solution.

Recently, the company has also enhanced its refrigerator disposal service. This involves the safe and eco-friendly removal of old refrigerators. The service complies with local regulations regarding the disposal of appliances containing refrigerants, helping customers dispose of their old units responsibly.

Freedom Dumpster continues to provide trustworthy garbage removal services for both homes and businesses. This service includes collecting and properly disposing of various types of waste in an eco-friendly manner.

Derken added, "We understand that our customers need responsible and efficient waste disposal options. By expanding our services, we can help them manage their waste more effectively. Our team is committed to delivering on-time and reliable service for every project."

For those needing to get rid of old mattresses, Freedom Dumpster offers a hassle-free mattress disposal service. Similarly, the foreclosure clean-out service helps property owners and real estate professionals quickly and thoroughly clean out foreclosed properties.

Construction waste removal is another important service offered by Freedom Dumpster. This service is essential for construction companies and independent contractors who need to maintain clean and safe job sites. The company ensures timely removal of all construction debris to help keep projects on schedule.

Residents in Southern Middle Tennessee can also utilize the company's yard waste removal service. This includes collecting and disposing of leaves, branches, and other yard debris. This service is especially useful during the fall and spring seasons when yard cleanup is most intensive.

Besides regular trash removal services, Freedom Dumpster provides specialized services for appliance removal, television disposal and recycling, furniture removal, e-waste disposal, and hot tub disposal. These services are designed for customers with specific disposal needs, ensuring responsible disposal of all items.

Serving a wide range of communities like Belvidere, Decherd, Estill Springs, Lynchburg, Tullahoma, Winchester, and surrounding areas, Freedom Dumpster also accommodates project sites beyond its typical service area. Additional fees may apply based on distance.

For more information on the available services and to book a rental or removal, customers can visit the company's website or check out their dumpster rental service on Google Maps. Freedom Dumpster is dedicated to being the top dumpster rental service in the region, constantly expanding and improving its offerings to meet the varied needs of its customers.
