

Auto Mechanic in Folsom, PA Takes Over Clay's Automotive Service Center in Delaware County, PA

August 26, 2024

August 26, 2024 -

FOLSOM, PA - August 26, 2024 - Clay's Automotive Service Center, a staple in Delaware County's automotive repair industry for over five decades, announces a change in ownership. Long-time employee Matt Rockle and his wife Jamie have taken the reins of this trusted establishment, marking a new chapter in the shop's storied history.

Clay's Automotive Service Center has been serving the community since 1971 when Clayton Davis founded Clay's Amoco Service Center in Holmes, PA. The business relocated to its current location at 1000 MacDade Blvd in Folsom in 1989, where it has continued to thrive under the leadership of Clayton's sons, Bob and Mike Davis.

Matt Rockle, an experienced mechanic who has been with Clay's for many years, along with his wife Jamie, assumed ownership in June 2023. This transition ensures the continuation of Clay's legacy of excellence in automotive care.

"We're honored to carry on the tradition of quality service that Clay's is known for," said Matt Rockle.

"Our goal is to maintain the high standards set by the Davis family while continuing to adapt to the evolving needs of our customers and their vehicles."

Clay's Automotive Service Center offers a comprehensive range of automotive services, cementing its reputation as a one-stop-shop for all vehicle needs in Delaware County. As both a tire shop and brake shop, Clay's provides expert tire services and brake repairs to ensure optimal vehicle safety and performance.The center's team of skilled mechanics specializes in general car repair and maintenance, addressing everything from routine oil changes to complex engine diagnostics. Clay's also houses a state-certified car inspection station, providing customers with convenient and thorough vehicle inspections.

For drivers experiencing transmission issues, Clay's transmission shop offers expert diagnosis and repair services. The center's wheel alignment service utilizes advanced technology to ensure precise alignment, improving vehicle handling and tire longevity.

Clay's commitment to regular car maintenance is evident in their comprehensive oil change services and overall approach to preventive care. This focus on routine maintenance helps customers avoid costly repairs and extend the life of their vehicles.

"While ownership has changed, our mission remains the same," Rockle added. "We're committed to providing quality service to the residents of Delaware County and beyond, just as Clay's has done for over 50 years, and when someone is looking for a mechanic in Folsom, PA they think of us!"

Matt Rockle emphasizes the critical role of regular car maintenance in ensuring vehicle longevity and performance. "Regular maintenance is the key to keeping your car running smoothly and avoiding expensive repairs down the line," Rockle explains. "At Clay's, we've always prioritized preventative care because we know it pays off for our customers in the long run." Regular maintenance not only extends a vehicle's lifespan but also improves fuel efficiency, enhances safety, and maintains resale value. Rockle adds, "We see it time and time again - cars that come in for regular check-ups and timely oil changes simply last longer and perform better. It's not just about fixing problems; it's about preventing them before they start." Clay's Automotive Service Center offers comprehensive maintenance packages designed to address all aspects of vehicle care, from routine oil changes to thorough multi-point inspections. "Our goal is to keep our customers' vehicles in top shape, ensuring their safety on the road and helping them avoid costly breakdowns," Rockle concludes.

Clay's Automotive Service Center continues to serve customers at 1000 MacDade Blvd in Folsom, PA. For more information about their services or to schedule an appointment, visit their website or call (610) 534-7044.
