Smart Medigap Plans, an independent insurance agency specializing in Medicare Supplement Insurance, has announced it is expanding its services across Texas. The company, led by Mike Hagan, provides various insurance products for people eligible for Medicare. These include Medicare Supplement Coverage, Medicare Part D for Prescription Drugs, Under 65 Health Insurance, Hospital Indemnity Insurance, Cancer Insurance, Vision Insurance, and Dental Insurance.

Mike Hagan, a Medigap Insurance Specialist and the leader of Smart Medigap Plans, stressed the need for customized coverage when helping clients with their Medicare options. "Our goal is to provide personalized and comprehensive service to Texans who need support in choosing the right Medicare plans. We understand that each client's needs are unique and strive to offer solutions that best fit their healthcare requirements," Hagan stated.

The Texas Medicare broker offers standardized Medigap plans to help clients cover out-of-pocket expenses

not met by Original Medicare. These plans are specifically designed to meet each client's unique needs, offering extra peace of mind and financial security. Smart Medigap Plans also includes Medicare Part D, which helps cover the cost of prescription medications, making sure clients can get their necessary medications without financial stress.

For people under age 65, Smart Medigap Plans offers various health insurance coverage options. These plans cater to different healthcare needs and require a consultation with the company for specific details.

Another important service provided by the company is Hospital Indemnity Insurance. This insurance offers a fixed benefit amount for clients who are hospitalized, regardless of the actual hospital charges. It typically pays a set amount each day, week, or month that the client is in the hospital, complementing existing health coverage.

Smart Medigap Plans also offers Cancer Insurance, which provides coverage for expenses related to cancer treatments. This insurance is designed to supplement existing health insurance and ensure that clients have financial support during cancer treatment.

Additionally, the Medicare insurance broker serving Texas provides Vision and Dental Insurance. Vision insurance covers services like routine eye exams, prescription glasses, and contact lenses. Dental insurance includes routine cleanings, x-rays, fillings, crowns, and other dental procedures, supporting overall health and wellness.

"Smart Medigap Plans is dedicated to helping Texas residents navigate their insurance needs with confidence," said Hagan. "Our services are designed not only to meet immediate health coverage needs but also to offer long-term security and peace of mind."

Besides offering a wide range of insurance services, Smart Medigap Plans takes pride in delivering personalized service. Mike Hagan serves as a personal Medicare concierge, guiding clients through their Medicare insurance options to help them make well-informed decisions. This one-on-one service model ensures that clients feel confident and comfortable with their insurance choices.

Smart Medigap Plans operates as an independent insurance agency, serving the entire state of Texas. They provide insurance products and services to Medicare-eligible individuals, including Medicare Advantage, Prescription Drug (Part D), Medicare Supplement (Medigap) plans, Hospital Indemnity, Cancer, Dental, and Vision coverage.
