Carrington Lawn & Landscape Named Best Place to Work in Snow & Ice Management for Third Consecutive Year

September 10, 2024

September 10, 2024 -
Carrington Lawn & Landscape has been named the Best Place to Work by the Snow and Ice Management Association (SIMA) for the third year in a row. This award was part of the 27th Annual Snow & Ice Symposium in Pittsburgh, PA, recognizing companies in the Snow & Ice Management industry that stand out for their positive work environments and growth opportunities.

This award shows Carrington Lawn & Landscape's dedication to its employees and its strong company culture. The company excelled in several areas, including professional development, effective management, employee engagement, and leadership trust.

"SIMA is proud to recognize companies who have shown their dedication to building an outstanding culture for their team as a Best Place to Work in Snow & Ice. This year, only 29 companies achieved the judging criteria to be recognized with this award," said SIMA CEO Martin Tirado, CAE.

Located in Middleton, Wisconsin, Carrington Lawn & Landscape offers comprehensive services that include landscape design and installation, regular lawn and landscape maintenance, seasonal clean-ups, and mulching. They also have different lawn care programs to keep lawns healthy and looking good. The company is well-known for its snow & ice management services, offering industry-leading technology in commercial snow removal to ensure commercial properties are safe and accessible during winter. They tailor their services to meet the specific needs and tastes of their clients, making sure every outdoor space reflects their clients' preferences.

Founder and President Sean Carrington expressed his gratitude for the award, saying, "Being acknowledged by SIMA as the Best Place to Work in Snow & Ice for the third year in a row is an incredible honor. It's a

testament to the hard work and dedication of our team. We believe in fostering a supportive environment where everyone can thrive."

The award highlights the values and practices that make Carrington Lawn & Landscape stand out. By focusing on its workforce and maintaining high standards, the company shows its commitment not just to its clients but also to its employees, creating a culture where everyone feels valued and inspired to contribute to the company's success.

For those interested in updates about Carrington Lawn & Landscape's newest projects and services, there will be more news and announcements available. These updates are helpful not only to existing clients but also to anyone interested in landscaping and snow management services.

Since its start in 1998, Carrington Lawn & Landscape has earned a solid reputation. The company has a team of skilled professionals and has built long-term relationships based on trust and quality. Being recognized by SIMA reinforces their status as a leader in the industry.
