

Save 10% During Sledge Concrete Coatings' 22nd Anniversary Celebration

September 13, 2024

September 13, 2024 - PRESSADVANTAGE -

Sledge Concrete Coatings is excited to offer a 10% discount on all flooring services throughout September. This special offer marks the company's 22 years of service in the Phoenix metropolitan area.

Founded in 2002, Sledge Concrete Coatings is a veteran and family-owned business that provides high-quality work and excellent customer service.

Sledge Concrete Coatings provides a wide range of concrete coating and flooring solutions. These include acid stain, polyurethane and polyaspartic systems, cool deck, faux flagstone, paving, Mapei overlays, garage flooring, and tile installation. Each service is customized to meet the unique needs of their clients, ensuring a durable and attractive finish.

Richard Sledge, owner and veteran, spoke about their commitment to quality and customer satisfaction. "For the past 22 years, we have built a reputation for excellence in the Phoenix area. Our team's dedication to high standards and attention to detail has been key to our success. This month's 10% discount is our way of saying thank you to our customers for their continued support over the years."

Their Acid Stain service enhances the natural beauty of concrete floors, giving them a unique look. Polyurethane and polyaspartic system floor coatings offer a glossy, durable finish for garages and driveways. Cool Deck coatings benefit outdoor areas like pool decks, keeping them comfortable to walk on even in Phoenix's hot weather.

Faux Flagstone is a cost-effective way to add a decorative touch to concrete surfaces. It is an excellent option for adding style and texture to patios and pool areas. Pavers come in various styles, colors, and textures, making them popular for driveways and outdoor spaces.

Mapei Overlays are reliable for indoor concrete surfaces with flaws or needing repairs. Garage flooring services from Sledge Concrete Coatings protect and enhance concrete surfaces that endure heavy use. The company also offers extensive tile installation services in many sizes and colors, from natural stone to ceramic tiles.

A sales representative, Kayla Sledge, stressed the importance of customer feedback and their dedication to service. "Our customers' satisfaction has always been our top priority. Their positive testimonials and continued trust in our services drive us to maintain the high-quality standards that we are known for."

Anyone interested in Sledge Concrete Coatings' services can visit its website for detailed descriptions of each service. Potential clients are encouraged to browse their completed project portfolio and read customer testimonials. The company also offers free project estimates to help clients plan their projects confidently. Call (602) 308-8656 or visit www.sledgeconcretecoatings.com to get started.

The 10% discount on their services is available on projects over \$1,200 throughout September, incentivizing potential clients to use Sledge Concrete Coatings' top-tier offerings. For residential or commercial projects, clients can expect professional service and a commitment to quality.

With 22 years of dedicated service, Sledge Concrete Coatings has become a reliable and trusted provider of concrete coatings and flooring solutions in the Metropolitan Phoenix area. They take pride in their family-owned, veteran-owned heritage and look forward to continuing to serve their community with high-quality flooring solutions and unmatched customer service.

Visit Sledge Concrete Coatings' website for more information about their flooring services and to schedule an appointment in their Phoenix showroom. Connect with them on Facebook to stay updated on company news and promotions.
