Harmony & Healing is gearing up for its annual Benefit Concert & Fundraiser in 2024, highlighting the #1 Beatles tribute band, BRITAIN'S FINEST. This Music Non-Profit focuses on sharing live musical performances with patients and their families, spreading joy and healing to those facing health challenges. The event aims to raise funds to support the organization's core activities, promising a night full of nostalgic tunes and unforgettable melodies cherished by many.

Started by former BOSTON guitarist David Victor, Harmony & Healing emphasizes the healing power of music. Victor's journey in the music world has driven his passion to use music as a comfort tool for patients of all ages. The organization provides emotional relief, offering virtual musical visits free of charge. These sessions are easily arranged through their website and aim to offer a short escape and healing platform through music.

David Victor shared, "Music has an incredible ability to lift spirits and provide strength during challenging

times. At Harmony & Healing, we witness firsthand the profound impact a simple song can have. It's about more than just the music; it's about bringing a moment of happiness and connection to those who need it most."

Harmony & Healing's upcoming concert, featuring BRITAIN'S FINEST, aims to strengthen community support and boost its ability to provide continuous musical therapy sessions. The event is more than just a gathering; it's a call for the community to emotionally support those in need. The funds raised will be crucial in ensuring that the organization can continue offering live musical visits and other services at no cost to those who receive them.
