

Sunday School Store Unveils Engaging Easter Curriculum "Heroes of Holy Week" for Kids

September 06, 2024

Sellersburg, Indiana - September 06, 2024 -
The Sunday School Store is excited to announce the launch of its new Easter curriculum for children, "Heroes of Holy Week." This curriculum helps kids learn about the events of Passion Week and focuses on important biblical figures like Jesus, Peter, and Mary Magdalene. The program includes Bible stories, activities, and crafts designed to teach children the meaning of Easter.

"Heroes of Holy Week" offers ready-to-use lesson plans, interactive activities, and multimedia resources. Each lesson plan is available for download in PDF format, making it simple for Sunday school teachers and children's ministry leaders to prepare their sessions. This new curriculum adds to their existing educational resources, like the 52-week curriculum for Sunday school. Their year-long program is packed with lessons, activities, and resources aimed at engaging children and teaching them about Christian faith.

Tony Kummer, the founder of The Sunday School Store, spoke about the role of Sunday school in a child's spiritual growth. "Sunday school shapes the spiritual foundation of children. With our new Easter curriculum,

we want to help kids understand the significance of Easter through engaging activities," said Kummer.

Besides the new Easter curriculum, The Sunday School Store provides various other resources for different needs. They frequently update their materials, including the Gospel Jesus curriculum, which focuses on teaching kids about Jesus and the core messages of the Gospel. These resources aim to equip educators with diverse tools to keep children interested and engaged in learning about Christianity.

The Sunday School Store also offers free downloadable resources. These include lesson plans, activity sheets, and coloring pages that teachers can use to supplement their main curriculum or as standalone activities. Special seasonal materials are also available, helping Sunday school lessons stay relevant throughout the year.

One standout feature of The Sunday School Store is its "Print & Teach Bible Lessons." These lessons are great for teachers who need ready-made materials for specific topics or substitute teaching. They include video demonstrations, game ideas, word searches, coloring pages, and easy-to-teach lesson plans.

The Sunday School Store provides curriculum packages tailored to different age groups and themes. For example, the "Ultimate Toddler Bundle" contains materials specifically designed for children aged 1-3 to learn about God. This bundling approach ensures educators have comprehensive materials tailored to their specific age groups and teaching goals.

Recognizing its global audience, The Sunday School Store adjusts prices to local currencies and offers content relevant to different cultural contexts. This effort makes their materials more accessible to a wide range of churches and educational programs around the world.

"Offering affordable and accessible educational materials is essential to our mission," Kummer added. "By providing content suited to different cultural contexts, we ensure that children everywhere can benefit from our resources."

The Sunday School Store is dedicated to supporting Sunday school teachers and children's ministry leaders. The company regularly releases new materials and updates existing ones to ensure educators always have fresh, engaging, and high-quality resources.
