

The Canine Club Expands Dog Daycare Service in Baltimore: Welcoming New Members for Premier Pet Care

November 19, 2024

Baltimore, MD - November 19, 2024 -
The Canine Club has announced they are expanding their dog daycare service and are welcoming new members in the Baltimore area. The Canine Club is dedicated to providing a safe and engaging place for dogs to play and socialize while their owners are away.

The dog daycare service at The Canine Club is designed to meet the exercise and social needs of dogs. The large play areas come with various playsets so dogs can enjoy lots of physical activity and mental stimulation. Supervised playtimes are a key feature, letting dogs interact in a secure environment while trained professionals watch over their activities. There are also designated nap times where dogs can rest before more play.

"The expansion of our dog daycare service is an exciting development for us and the pet-loving community in Baltimore," said Megan Padgett, CEO of The Canine Club. "Our goal is to provide a comprehensive care

experience where dogs can thrive and stay safe. We're looking forward to welcoming new dogs to our facility."

In addition to daytime care, The Canine Club also offers dog boarding services, which is convenient for owners who need overnight care for their dogs. The boarding service has supervised accommodations, ensuring that pets get the care and comfort they need during their stay. This is particularly helpful for owners who travel and cannot bring their pets along.

Another essential service is dog grooming. They offer a wide range of grooming options, including baths, nail trims, ear cleaning, tooth brushing, and blow drying. Experienced groomers make sure each dog looks and feels its best, providing personalized care based on each dog's grooming needs.

"We understand how crucial it is for pet owners to know their dogs are in good hands," added Megan Padgett. "We strive to offer peace of mind through our various services, from daycare and grooming to overnight boarding. Every dog that comes to The Canine Club is treated like family."

One unique feature at The Canine Club is the live webcam access provided for its dog daycare service. This allows pet owners to check in on their dogs throughout the day, giving them reassurance about their pets' well-being.

The Canine Club operates from 6:30 AM to 8:45 AM and 9:30 AM to 7:00 PM from Monday to Friday, and from 9:00 AM to 5:00 PM on weekends. Located at 1624 Beason Street, the facility is easy to get to for Baltimore residents. The flexible scheduling options help fit into the busy lives of pet owners.

The Canine Club encourages local residents to visit the facility and see firsthand the amenities and care provided. Interested pet owners can book services and learn more about the club by visiting the company's website at canineclub.com.

With a history of serving the community since 2009, previously known as Sobo Dog Daycare, The Canine Club has built a reputation for offering quality pet care services. Their ongoing mission is to improve the lives of dogs and their owners by providing compassionate care, expert training, and excellent grooming facilities.

For those looking for quality pet care, The Canine Club remains a reliable option in Baltimore. The expansion of their dog daycare service marks another step forward in their commitment to the community and its pets. Learn more about their expanded services and other offerings by visiting their page at canineclub.com.
