September 23, 2024

Sellersburg, Indiana - September 23, 2024 -
The Sunday School Store has announced the launch of a new Easter curriculum called "Heroes of Holy Week." This educational material aims to bring the importance of Easter to life for kids through engaging and well-structured lessons and activities. It will be available starting March 12, 2024. The curriculum includes lesson plans, crafts, games, coloring pages, Bible stories, and songs to make learning fun and meaningful for children of all ages.

Tony Kummer, a representative from The Sunday School Store, shared, "The new Easter curriculum, 'Heroes of Holy Week,' is a unique and vibrant way to teach children about the important events leading up to Easter. Our goal is to make these stories accessible and engaging for young minds, and we believe we have achieved that with this release."

In addition to this new Easter curriculum, The Sunday School Store continues to offer various resources to support religious education for children. One of the main offerings is a comprehensive 52-week curriculum

that provides a year-long plan filled with lessons, activities, and resources to help kids learn about the Bible and the Christian faith. The store also offers free downloads, including lesson plans, activity sheets, and coloring pages. These can be used to complement the main curriculum or as standalone activities.

The Sunday School Store frequently updates its materials to ensure that educators have access to fresh and innovative teaching tools. These include lessons and activities designed for different age groups. Staying true to its commitment to quality education, the store also offers a Gospel Jesus curriculum. This curriculum focuses on Jesus's teachings and the Gospel, making it easy for children to understand and engage with.

For example, the 52-week curriculum offered by The Sunday School Store provides a structured year-long plan to impart Biblical values and teachings. Parents and educators can explore these comprehensive lesson plans on their official website to find a wealth of resources specifically designed to cater to children's spiritual development.

Kummer highlighted the importance of such resources, saying, "Sunday School is a key part of the spiritual development of children. It provides a foundation for their faith and understanding of Biblical principles. We at The Sunday School Store are dedicated to offering materials that support teachers and make these lessons resonate with the kids."

The Sunday School Store also offers print-and-teach Bible lessons, which are perfect for substitute teachers or when a specific Bible topic needs to be covered. These lessons come with video demonstrations, crafts, game ideas, coloring pages, and an easy-to-follow lesson plan. Additionally, the store provides curriculum bundles that package multiple lessons and activities tailored to specific age groups and themes. For example, the "Ultimate Toddler Bundle" has everything needed to teach children aged 1-3 about God.

Recognizing the global reach of its audience, The Sunday School Store tailors its services and resources to different countries and regions. This includes adjusting prices to local currencies and making sure the content is relevant to each region's needs.
