

## Pearl Distributors Launches Newly Designed Website

*January 11, 2016*

January 11, 2016 - PRESSADVANTAGE -

Pearl Distributors has announced the launch of a brand new website. The freshly designed website makes it easier for customers from around the world to seamlessly peruse a leading collection of pearls anytime, anywhere.

Pearl Distributors proudly offers a leading selection of Akoya, Tahitian, Freshwater, South Sea, and other pearls via their website, and their team also backs each and every purchase by distinguished 24/7 customer care. In addition, Pearl Distributors helps customers choose the ideal pearls with their very helpful Pearl Buying Guide. The guide is available at the Pearl Distributors website.

The launch of a freshly designed website is one way that Pearl Distributors is showing its high level of customer care. The new website is sleek and streamlined, making it easy for customers to navigate through pearl necklaces, earrings, bracelets, pearl sets, pendants, rings and more. A higher level of organization makes it easier for shoppers to find what they're looking for, and high quality images help shoppers make the best purchasing decisions possible. The new design of the Pearl Distributors website makes it simple for customers to peruse the entire collection of pearl jewelry available, including their extensive Bridal Pearl

Jewelry collection, then taking them seamlessly through the billing process when they are ready.

Pearl Distributors is also pleased to offer a leading, trusted billing platform that ensures payment and data safety and security during and after the transaction. Once customers have placed their order, they can receive delivery within as little as 2 business days. Expedited deliveries are available, with free standard deliveries available in as little as 3-4 days.

Pearl Distributors is excited to launch their brand new website and looks forward to continuing to serve their global customers with leading quality and customer care. More information can be found at <http://www.pearldistributors.com>.
