

## **Bristol Family Eyecare to Host 20th Anniversary Party and Trunk Show**

*September 20, 2024*

September 20, 2024 - PRESSADVANTAGE -

Bee Cave, TX ? Bristol Family Eyecare has announced that they are marking their 20th anniversary with a trunk show. Held at their Bee Cave location on October 1 from 2 to 7pm, the trunk show party will feature perks for attendees as well as nearly a hundred personal styling sessions with frame representatives, technicians, and opticians. With the event, and the milestone anniversary, Bristol Family Eyecare demonstrates their commitment to exceptional eye care and service: a monumental feat as they mark two decades in the business.

?We are thrilled to celebrate our 20th anniversary with a special trunk show event that reflects our commitment to giving back to the community that has supported us for two decades. This milestone is not just about us; it's about expressing our gratitude to our loyal patients and neighbors,? said Dr. Dan Bristol, the practice owner as well as an optometrist at Bristol Family Eyecare. ?We would not be here without the immense support of our community, and for each member of our team, being able to help our patients fills our lives with so much value. So the trunk show and party are a way to celebrate all of us and truly show what we've fostered over the past two decades.?

The event will feature a focus on frames from the brands Oliver Peoples and Ray-Ban. Attendees will receive free branded eyeglass cases, with first RSVPs and arrivals receiving goodie bags containing eyewear care kits. There will also be raffles for each frame line, with branded styling sessions for attendees that last for half an hour per customer.

The brands in specific were chosen due to their popularity, craftsmanship, reputation, and aesthetic. Oliver Peoples in particular stands out in the world of eyewear as independently manufactured, with their frames making appearances in numerous films and books. Ray-Ban, meanwhile, is an iconic American line with strong imagery in popular culture and public imagination, a fitting draw for Bristol Family Eyecare's patient base.

"We're excited to offer exclusive promotions and unique eyewear collections as a token of our appreciation. Our community has always been at the heart of what we do, and we're honored to continue serving with the same dedication and care," added Dr. Bristol. "And we look forward to another decade of helping patients make the most of their vision!"

In recent years, Bristol Family Eyecare has formed more of an emphasis on fostering community. The aim of the 20th anniversary trunk show is to continue that legacy. Previous events held by the practice include an incredibly successful eclipse viewing party. Trunk shows from esteemed brands also bolster the practice's reputation for quality, as they have established themselves as striking the right balance between function and fashion.

All Bristol Family Eyecare locations are open and taking appointments for new and existing patients.

#### About Bristol Family Eyecare
