

Soulmutts Toronto Launches Premier Dog Grooming Services in Downtown Toronto

October 07, 2024

TORONTO, ON - October 07, 2024 -
Toronto, ON ? Soulmutts Toronto, a well-known name in the city?s dog care services community, is proud to announce the addition of professional dog grooming services to its comprehensive range of offerings. Located in the heart of Leslieville, Soulmutts has been providing trusted daycare, boarding, and walking services since 2008. Now, with the launch of its grooming services, the company continues its dedication to supporting the health and happiness of Toronto?s dogs.

With over 15 years of experience caring for the city?s pets, Soulmutts has built a reputation for providing a safe and engaging environment where dogs can thrive. The new grooming services are a natural extension of this mission, offering dog owners a reliable option for maintaining their pet?s hygiene and appearance. These services are designed to meet the diverse needs of dogs across the city, regardless of their breed, size, or age.

?At Soulmutts, we understand how important it is for dogs to feel comfortable and well cared for,? says a

representative from the company. ?We?re excited to offer grooming as part of our services. It?s another way we can help ensure that the dogs in our care are healthy, happy, and looking their best.?

The grooming services at Soulmutts Toronto include everything from basic baths and brush-outs to full grooming sessions that focus on maintaining a dog?s coat, skin, and overall well-being. Whether a dog needs a routine wash or a more thorough grooming treatment, Soulmutts provides personalised care tailored to each dog?s specific needs.

In keeping with Soulmutts? approach to dog care, the grooming process is focused on making sure dogs feel relaxed and safe throughout their appointment. The team uses high-quality grooming tools and works in a clean, modern facility, ensuring that each session is as comfortable as possible for the dogs.

While the grooming services cater to the general grooming needs of dogs, Soulmutts continues to offer the same flexibility and convenience that clients have come to expect. Pet owners can book grooming appointments online, with flexible scheduling options that make it easy to fit grooming into their busy routines. Dogs are cared for by the same full-time team that handles daycare and boarding, ensuring that they are familiar with the staff and comfortable with their surroundings.

?Our goal is always to provide the best possible experience for the dogs in our care,? the representative adds. ?We know that consistency and trust are important, so we?ve made sure that our grooming team is as familiar and reliable as the staff who handle our other services. This helps dogs feel more at ease during their grooming appointments, and it also provides peace of mind for their owners.?

Soulmutts? grooming services are designed to complement the company?s existing range of dog care options, making it easier than ever for pet owners to access all the services they need in one convenient location. Whether it?s for a quick cleanup or a more comprehensive grooming session, Soulmutts is committed to providing the same high level of care that clients have come to rely on for over a decade.

Located at 826 Eastern Avenue, Soulmutts Toronto is easily accessible for pet owners throughout the city. The company continues to operate 365 days a year, providing flexible, reliable service for dogs and their owners. With the new grooming services, Soulmutts expands its offerings while staying true to its mission of offering quality care in a welcoming environment.
