

Dallas Commercial Roofing Company Earns Prestigious GAF GoldElite? Status for 2024

September 26, 2024

Dallas, Texas - September 26, 2024 - PRESSADVANTAGE -

Alpine Roofing Construction has been recognized as a GAF GoldElite? Commercial Contractor for 2024. This honor from GAF Commercial acknowledges Alpine Roofing Construction's dedication to top-notch quality and customer service in the commercial roofing industry. As a result of this title, the company can now offer enhanced GAF warranties and guarantees to its customers.

Jeff Folsom, CEO of Alpine Roofing Construction, shared his pride in receiving the recognition. "Achieving the GAF GoldElite? Commercial Contractor status is a testament to our team's hard work and commitment to excellence," said Folsom. "We're proud to offer our clients these superior warranty options to ensure the longevity and quality of their roofing systems."

With this recognition, Alpine Roofing Construction can now provide several enhanced GAF warranty options to its clients. These warranties include the Integrated System Limited Warranty, the System Pledge? Roof Guarantee, and the GAF Diamond Pledge? NDL Roof Guarantee for qualified projects. By offering these

warranties, the company aims to give clients extra confidence in the durability and reliability of their commercial roofs.

Alma Garnett, Senior Vice President of Commercial Roofing Sales at GAF, stressed the importance of the GoldElite? status. "Alpine Roofing Construction has shown an unwavering commitment to quality and customer satisfaction," said Garnett. "We are confident that their participation in the GAF GoldElite? program will continue to raise the standards of commercial roofing services in the industry."

Based in Dallas, this commercial roofing company has built a solid reputation for expertise and reliability. This latest recognition cements its position as a leader in the local and regional roofing market. GAF GoldElite? status acknowledges the company's ability to meet and exceed industry benchmarks.

The enhanced warranties under the GoldElite? program offer more comprehensive protection for their clients. The Integrated System Limited Warranty covers GAF roofing components for their lifetime, as long as certain conditions are met. The System Pledge? Roof Guarantee covers both material defects and workmanship errors for up to 20 years on eligible projects, boosting the assurance clients receive. The GAF Diamond Pledge? NDL Roof Guarantee provides the highest level of protection against roofing system failures due to material or workmanship issues for up to 30 years.

These warranties show GAF's confidence in Alpine Roofing Construction's capacity to deliver high-quality roofing solutions. Each warranty provides clients with different levels of coverage tailored to meet various needs of commercial roofing projects. From small businesses to large commercial structures, these warranties aim to offer strong protection and long-term reliability.

For more information on GAF warranties and how they specifically benefit commercial projects, visit Alpine Roofing Construction's page on GAF's website.

By partnering with reputable roofing companies like Alpine Roofing Construction, GAF ensures that customers get the best products and services available. The GoldElite? program is part of GAF's commitment to working with contractors who share their values of quality and customer satisfaction.

Alpine Roofing Construction continues to provide exceptional commercial roofing services to its clients. The company offers roof inspections, maintenance, repairs, and full roof replacements. With its new GAF GoldElite? status, Alpine Roofing Construction is poised to enhance its service offerings and expand its presence in the commercial roofing industry.

This recognition reaffirms the company's dedication to maintaining high standards and a strong commitment to customer satisfaction. Alpine Roofing Construction remains committed to delivering the best possible

roofing solutions to its clients.
