Harlow Apartments, located in Smyrna, Georgia, has achieved a significant milestone, earning a 5-star rating that underscores its reputation as a top-notch residential community.

This luxury apartment complex offers a variety of one and two-bedroom units, each designed with modern-day comforts. The apartments feature gourmet kitchens with slate black granite countertops, custom cabinetry, stainless steel appliances, and unique tile backsplashes. Living areas come with eco-friendly LED lighting and plank-style wood flooring, adding a touch of elegance to the experience.

Security and convenience are key at Harlow Apartments. The application process is thorough, including credit and income verification through Snappt. Applicants must submit a government-issued ID, social security card, bank statements, and pay stubs. This detailed verification ensures a secure and trustworthy community for all residents.

John, a representative of Harlow Apartments, shares, "At Harlow Apartments near the Battery, we work hard to provide our residents with a safe and enjoyable living environment. Our comprehensive verification process is one step we take to maintain this standard, and achieving a 5-star rating is great validation of our efforts."

One major draw of Harlow Apartments is its great location near The Battery. The area is lively and diverse, full of shopping options, restaurants, bars, live music, and entertainment venues. Residents have easy access to The Cobb Energy Center, Cumberland Mall, and major highways like I-75, I-85, and I-285. Being close to The Battery also means proximity to Truist Park, home of the Atlanta Braves, making it perfect for sports fans.

Beyond its fantastic location, Harlow Apartments features a range of high-tech amenities to elevate residents' quality of life. These include a 24-hour Luxer Package Room, My Door View Guest Check-In, rentable storage spaces, and controlled building access. The fitness center, resort-style deck, and saltwater swimming pool offer ample options for relaxation and recreation. The multimedia club room, al fresco grilling area, outdoor fireside lounge, resident coffee bar, collaboration space, and private work offices add to the community's appeal.

"Living at Harlow Apartments near the Battery has been a wonderful experience," a resident comments. "The location is unbeatable, and the amenities make it feel like a resort. I was particularly impressed by the virtual tours, as they gave me a clear idea of what to expect before moving in."

For potential residents, virtual tours offer a convenient way to explore the property and its features from the comfort of their homes. This is especially useful for those relocating from other areas who can't visit in person immediately.

Amenities like the Luxer Package Room show the community's dedication to modern conveniences, ensuring residents' packages are securely stored and available anytime. The My Door View Guest Check-In system provides an extra layer of security by allowing residents to monitor guests entering the building.

Harlow Apartments consistently seeks ways to better serve its residents, which is one reason the complex has earned high praise and a 5-star rating.
