Ashley Enterprises Ltd, a well-regarded custom home builder based in Summit County, Colorado, recently gained recognition for its innovative approach to luxury home construction and remodeling. The company, known for its dedication to quality and creative excellence, was honored with the Summit County Builder's 2024 Parade of Homes People's Choice Award for a stunning 7,225 square foot remodel. This project beautifully blends with its environment, offering breathtaking views of the surrounding national forest and easy access to a regional bike path.

This successful remodel highlights the skill of Ashley Enterprises Ltd in creating homes that not only fulfill clients' desires but also harmonize with the beauty of the local landscape. Situated in Breckenridge, the project features five bedrooms and six bathrooms, showcasing a blend of modern elegance and thoughtful design.

Bill Ashley, CEO of Ashley Enterprises Ltd, expressed the team's commitment to their craft, saying, "Our primary goal is to ensure that every home we build is a true reflection of the homeowner's vision while

maintaining harmony with the natural surroundings. The Parade of Homes award is a testament to our team's hard work and commitment to excellence."

Ashley Enterprises Ltd operates in Breckenridge, Dillon, and Frisco, offering a wide range of construction services. The company specializes in building custom homes, performing remodels and additions, and crafting unique interior pieces. Their expertise extends to both residential and light commercial projects, handling tasks ranging from new constructions to complex repair needs.

The company is committed to making the construction and design process as smooth and stress-free as possible for clients. This is achieved by collaborating closely with top-tier architects to create homes that perfectly blend with the property's natural terrain. In addition, Ashley Enterprises Ltd provides plan review and consultation services, helping homeowner general contractors achieve their project goals.

"Our approach is grounded in creativity and simplicity," noted Bill Ashley. "We aim to deliver not just homes, but experiences that fulfill the dreams of the homeowners we work with."

Demonstrating their commitment to the community, Ashley Enterprises Ltd actively takes part in local events within the Summit County area. They value building strong relationships through their architectural efforts and by maintaining an active presence on social media platforms like Facebook, Google, and Houzz.

Clients can explore Ashley Enterprises Ltd's extensive portfolio, which includes a variety of building styles like classic, craftsman, contemporary, log, mountain modern, and rustic. These showcase not only the high-quality craftsmanship but also the diverse designs the company can deliver.
