Anaheim, California - The Lighthouse Treatment Center, a premier drug and alcohol addiction treatment center in Anaheim, California, proudly participated in the 8th Annual Canyon Club Golf Classic held on September 21, 2024, at the scenic Tijeras Creek Golf Club in Rancho Santa Margarita, CA. This much-anticipated event aimed to raise funds for The Canyon Club, a non-profit venue dedicated to supporting the recovery and rehabilitation of alcoholics and their families.

Featuring an engaging day of golf, a sumptuous dinner, a silent auction, and a thrilling helicopter golf ball drop, the tournament brought together community members and sponsors committed to making a difference.

lasting change."

The Canyon Club Golf Classic was more than just an ordinary golf tournament. Participants enjoyed a day filled with friendly competition and unity, starting with registration and a putting contest, followed by a shotgun start for the tournament. As the sun set, golf balls were dropped from a helicopter, adding an exciting twist to the fundraising efforts. The evening concluded with a delightful dinner and silent auction, where guests had the chance to bid on exclusive items, all in support of a noble cause.

Aside from key Lighthouse Treatment Center staff, members of the Lighthouse Alumni Program were also invited to participate in the event. This allowed former clients of the treatment center to come together, enjoy a day of golf, and reflect on their personal journeys towards recovery. The sense of camaraderie and support among the alumni truly exemplified the impact that Lighthouse has had on countless lives.
